

## Library and LymeNet to move to the Woodmead Halls site?

PLANS are being drawn up for the Lyme Regis Library and the LymeNet community learning centre to be moved to the Woodmead Halls site.

The proposal is very much in the embryonic stage but a meeting has been held between representatives of Lyme Regis Development Trust, which is promoting the ambitious plans, and the management

committee at the Woodmead Halls.

Town councillors have also been informed of the plans and are due to discuss them at the next meeting of the Strategy and Policy Committee on October 31st.

Crucial to the plan would be the willingness of

Dorset County Council to dispose of their present library site in Silver Street for housing, including some affordable units, and move to the Woodmead Halls site.

The proposal envisages the building of a two-storey extension on the eastern side of the Wood-

mead Halls, on land owned by the town council used for car parking, to accommodate a new library and offices for LymeNet, currently housed in St Michael's Business Centre. Such a scheme would allow the LymeNet computer facilities to be utilised by library users and would also provide a long term security for the community learning centre.

Initial plans drawn up by

the Development Trust also include provision of a third hall and a cafeteria with a decked outdoor seating area with views over Lyme Bay.

The plans have not been fully costed yet but it is thought the total cost would exceed £1 million.

The Woodmead Halls is celebrating its 30th anniversary this year and is marking the occasion with a party to which representatives of local organisations will be invited.

### Five-year plan

It is the intention of the management committee to make a presentation at this event on a five-year development plan for the building which includes the possibility of an additional hall.

Management committee chairman Stan Williams told the *View from Lyme Regis*: "We have been aware of these plans for some time and have al-

ready had one meeting with Wendy Davies, chairman of the Development Trust, and consultant David Gale.

"The management committee has since discussed the provisional plans and agreed in principle to further discussions.

"Mr Gale has been invited to meet our committee next Monday (October 15th) to discuss the plans in more detail.

"We have our own plans to develop the halls and we would want to make sure that these are included in

any wider scheme."

If the meeting on October 15th goes well, it is possible that Mr Gale, who supervised the Marine Parade shelters regeneration scheme for the town council, will make a presentation on the scheme at the Woodmead Halls' 30th anniversary event the following Friday (October 19th).

The Woodmead Halls opened in 1982 under the new name of the Lyme Regis Leisure Centre, replacing former World War

One huts which were much used by the community.

The name of the building was changed back to the Woodmead Halls a few years later as the title "leisure centre" gave a false impression of the facilities available.

The halls are now considered to be one of the best community meeting places in Dorset with more than £200,000 being invested in its fabric and facilities in the last ten years.

**REIKI therapist Janice Pritchard moved to Charmouth in July - specifically on the day of the floods, which she says she'll never forget!**

She has already thrown herself into community life and, as well as practicing Reiki from Charmouth, Lyme Regis and Bridport, she is also a volunteer for the National Coastwatch Institution and is campaigning to save Portland's coastguard helicopter.

Janice is originally from Kent but studied occupational therapy in Exeter before moving to Ipswich, Southsea, the Chew Valley and Bristol. She has two daughters, aged 13 and 16.

### ● WHAT is Reiki?

Reiki is a Japanese technique for stress reduction and relaxation that also promotes healing. It is administered by "laying on hands" and is based on the idea that an unseen "life force energy" flows through us and what causes us to be alive. If one's "life force energy" is low, then we are more likely to get sick or feel stress, and if it is high, we are more capable of being happy and healthy.

A treatment feels like a wonderful glowing radiance that flows through and around you. Reiki treats the whole person including body, emotions, mind and spirit creating many beneficial effects that include relaxation and feelings of peace, security and well-being.

### ● HOW did you become interested in?

I first read about Reiki in a newspaper article which sounded interesting as my background was in health and rehabilitation. I asked my friend about it and by chance her mother was a Reiki Master. She gave me a leaflet and I went on to find a Reiki Master who gave me several treatments, after each treatment I felt so relaxed and refreshed, more able to carry on with the stress of being a single mum going through divorce.

I realised quite quickly that I wanted to learn more about Reiki and learnt Level 1 Reiki soon afterwards. I then learnt Level 2 Reiki before becoming a Reiki Master in 2003.

### ● WHERE do you practice Reiki?

I practice Reiki in Charmouth, Bridport and Lyme Regis. I also teach Reiki at all three levels, as well as give taster sessions at charity events and run a Reiki Share Group for all those that I teach and want to develop their skills and confidence.

If people want to get in touch then they can find my details on my website [www.charmouthreiki.vpweb.co.uk](http://www.charmouthreiki.vpweb.co.uk) or call me on 07922 142496.

### ● HOW did you become involved with the National Coastwatch Institution?

After I moved to Charmouth I became aware of just how much the Portland Coastguard helicopter is called out to emergencies along the coastline.

I first met Clare Reeves, the regional recruiter for NCI on the seafront at Charmouth in August when I was getting signatures for the petition to save Portland Coastguard SAR helicopter which is due to close. I knew that this was something I could become involved in and decided to become a trainee.

### ● WHAT do you do there?

I am now a trainee at Lyme Bay NCI where I help man the watch at Burton Bradstock twice a month. I keep watch and record the sea traffic movements, keep watch of the users of the beach, maintain listen of the shipping radio and record the weather and sea state.

It is especially important to have NCI presence at the

beach at Burton Bradstock at the moment to keep the public away from the cliff falls where a young woman sadly died recently, as people still attempt to cross the beach by the fenced-off area.

The work is really interesting and I feel I am doing something to help the community.

### ● WHY do you feel so passionately about saving the coastguard helicopter?

We love living by the sea and swim and kayak in the sea at Charmouth. It is good to know that the Portland Coastguard helicopter is available if there was an emergency and hate to think of it not being so close by in future.

Since moving to Charmouth we have seen the helicopter called out to many emergencies where people have been rescued on the beach and the cliff, and we've seen in the news just how often it has been called out to other emergencies at sea.

### ● HOW can people support the campaign?

People can support the campaign by signing the petition which can be found in many of the Charmouth shops as well as signing the e-petition online at [www.coastguard-SOS.com](http://www.coastguard-SOS.com) or

<http://petitions.direct.gov.uk/petitions/36619>

### ● WHY did you decide to move to Charmouth?

I first came to Charmouth eight years ago for a family holiday at Seadown Holiday Park with my two daughters, then aged five and eight. They pulled up with some children and we've been meeting them and their families every year since! We loved Charmouth so much and always hated going home. This year we decided it was a good time to make the move and it's the best thing we ever did!

### ● WHAT do you like about living in Charmouth?

I love living in such a friendly village where people still smile and say "good morning". After living in a very busy area of Bristol I enjoy the peace of living by the sea and hearing the birds when I wake up. People have been so welcoming since we moved here and we've made lots of friends already, which means such a lot.

### ● WHAT three items would you want with you on a deserted island?

They would be a rose quartz crystal, chocolate and a book about Reiki as there is always something new to learn!

### ● WHO are your three dream dinner guests?

I would invite Dr Usui, the founder of modern Reiki as I respect him for his wisdom and gentleness, David Icke as I admire him for speaking out and Peter Kay as he makes me laugh so much!

## Virgin Care reassures patients that NHS services will continue at medical centre

FOLLOWING the decision to award preferred provider status to Virgin Care for the running of Lyme Regis Medical Centre, the company has moved to reassure patients and staff that services will continue to be funded by the NHS and will remain free to the local community.

In a statement to the *View From Lyme Regis*, Virgin Care wrote: "Dorset Primary Care Trust's Lyme Regis Medical Centre Procurement Project Team issued the tender to run the medical centre and Virgin Care was amongst the bidders. The decision was approved by the board of NHS Dorset following a robust bidding process.

"Virgin Care is a highly experienced provider of NHS services across the country. Some of the services that it provides include GP practices, walk-in centres, out of hours clinics and minor injury units as well as a wide range of services requiring a referral from a GP such as dermatology, audiology, urology and rheumatology. It also provides a wide range of community services including sexual health services, district nursing and home visiting services.

"Since 2006 Virgin Care has treated over two and a half million people delivering services that focus on improved accessibility, convenience, satisfaction and most importantly, improved health outcomes – providing a better

deal for the taxpayer."

Although Virgin Care is an independent sector health-care provider, the services it provides are NHS services, meaning that patients can access them in the same that they would for any other NHS service.

A spokesman for the company added: "We aim to work with the local NHS and existing doctors and nurses to share best practice from our network of services as well as looking at ways of further improving services for the local community.

"When we take on a new service the doctors and nurses as well as all the members of staff involved in the running of local services usually transfer over to us with their existing terms and conditions maintained. This is important in helping to maintain continuity for the people who use the services and also helps to ensure that services continue to meet the needs of the local population."

He added that Virgin Care's aim in Dorset is to continue the high quality services already on offer and also improve the services even further. Improved access is one of the benefits that it is hoping to bring. Other GP services that it runs are open during the week until 8pm and on Saturday mornings.

Participation Groups which involve the local community in the care that we provide. We also operate an innovative feedback system that tells us on a daily basis what patients like and don't like about our services.

### ● How will complaints about the delivery of Virgin Care's services in Lyme Regis Medical Centre be dealt with?

We are subject to the NHS complaints process. We also operate an innovative feedback system that tells us on a daily basis what patients like or don't like about our services.

### ● What hours will the medical centre be open to local people?

I can't comment on specifics with regard to the contract since we have not signed one yet and are in due diligence. It may interest you to know that all our primary care centres offer weekend and late evening appointments. Our walk-in centres offer 8am-8pm, 365-day opening hours.

### ● Will local people have access to care outside the confines of Devon and Dorset, i.e. in London?

Again, I can't comment on the specifics of the contract since we are in due diligence. What I would say is that the services we provide are NHS services, and so if you are eligible for NHS care, you will be eligible to use our services in the same way that you would be any other NHS service.

### ● Will there be a 24 hours-a-day service to answer emergency calls for social, medical and emotional problems?

Again I can't comment on the specifics of the contract since we are in due diligence.

### ● Will there be an NHS dentist at the medical centre who cannot do private work?

Again I can't comment on the specifics of the contract since we are in due diligence.

### ● Will the X-Ray room at the medical centre, with its led-lined walls, be utilized for its intended purpose?

Again I can't comment on the specifics of the contract since we are in due diligence. We would be keen to work with the commissioners to develop additional services where this would improve the care of local people. As you will appreciate the commissioners are responsible for deciding which services are needed locally, but we would be keen to work with them and the community to develop new services where they can improve health outcomes for patients.

### ● Will a system of prescription delivery and transport to and from the medical centre for the elderly be available as part of Virgin Care's service delivery?

Again I can't comment on the specifics of the contract since we are in due diligence.

### ● Will Virgin Heath participate in an ongoing fundraising campaign with the League of Friends to help provide new facilities?

We have a very good relationship and work very closely with the various Leagues of Friends co-terminous with our services. We would be keen to support fundraising initiatives where appropriate and also work with a number of charities, such as Jo's Cervical Cancer Awareness Trust, Carers' Trust, Carers' UK the Princess Royal Trust for Carers (among others).

### ● When the medical centre first opened it was mooted that there might be a few hospital beds at the centre following the closure of the local hospital. Is there a possibility of that happening under the Virgin Care operation?

Again I can't comment on the specifics of the contract since we are in due diligence. We would be keen to work with the commissioners to develop additional services where this would improve the care of local people. As you will appreciate the commissioners are responsible for deciding what services are needed, but we would be keen to work with them and the community to develop new services where they can be shown to improve health outcomes for patients.

## YOUR QUESTIONS ANSWERED

THE following series of questions, some submitted by readers, regarding the future services at Lyme Regis Medical Centre were sent to Virgin Healthcare for their response. Some of the questions could not be answered as Virgin Healthcare is currently in a period of due diligence and has not yet signed the final contract.

### ● Exactly what changes do Virgin Care anticipate making at present?

I can't comment while due diligence is ongoing.

### ● Can Virgin Care confirm that in Cambridgeshire, physio sessions are limited to five, probably because they are paid by patient? If so, would Virgin Care be introducing similar across-the-board limits in Lyme Regis? Is there anything they can say to encourage us to hope that each patient will be treated as an individual and given the treatment they need, with no extra restrictions other than those imposed centrally (e.g. NICE guidelines precluding the prescribing of certain drugs etc.)?

This is utterly untrue. We have never provided physiotherapy services in Cambridge and therefore have never limited sessions. Any suggestion that we charge patients for NHS services anywhere in the UK is entirely fabricated and libellous. If you could confirm who your source is I will take this up with them directly. What I can say is that our services are NHS services, free at the point of delivery and provided on the basis of need, not the ability to pay. We are required provide them at a similar or higher quality than what went before. We do have to deliver savings to the NHS but we are not able to do this by cutting services in any way or at the expense of service quality. I would also argue that we are more accountable than traditional NHS providers, since if we do not deliver services to the required standard, we lose the contract which is not what happens to incumbent NHS providers.

### ● Will Virgin be imposing blanket protocols, policies and procedures across all their contracts or will local need affect local practice? For example, the higher percentage of older people, the distances to hospitals, the lack of other facilities such as walk-in centres, etc.

Our services are absolutely tailored around local need. We share best practice from across our network with the intention of improving the services that we deliver. At the heart of what we do is listening to what the people

who use our services need and tailoring our services accordingly. It will interest you to know that we provide highly complex services (contrary to perceptions and accusations of "cherry-picking"), including services for children with complex needs, asylum seeker services and neurological rehabilitation. We are well used to providing care for the elderly and through our community hospitals, district nursing and home visiting services which are not only for the frail/elderly but also those with complex needs such as dementia.

### ● Will doctors still be able to use common sense or will they be forced to "cover their backs" - e.g. in the previous practice, the doctor was able to agree that it was pointless sending an 88-year-old severely osteoporotic woman to Dorchester just to prove she had broken her ribs, given the treatment wouldn't differ.

We value initiative and fresh ideas; that is the basis of how we inspire staff to help us improve service. We also aim to provide the most suitable care and most importantly the safest care necessary based upon the requirements of the person who is seeking our expertise. We treat the people who use our services as individuals and will absolutely aim to provide them with the care most appropriate to them at the time they see us.

### ● Will Virgin let us have a copy of the promises they made to win the contract so we on the ground can hold them to account, given the PCT will no longer exist in six months time?

The PCT will be succeeded by the local Clinical Commissioning Group whom we shall immediately be accountable to. The CCG will be accountable to in exactly the same way that the local PCT currently is.

### ● Will there be complete transparency in terms of how Virgin Care spend the budget they receive to deliver services at the medical centre, after all they are paid from the public purse?

We are entirely accountable to the PCT/CCG for providing the services as specified by the commissioner.

### ● Will there be representation from the local community on a Lyme Regis Medical Centre Committee to represent the interest of local people in the way services are delivered?

Any existing processes are likely to be continued and/or improved. All our primary care services include Patient

## Wear it Pink this month!

THE Lyme Regis Branch of Cancer Research UK is encouraging the whole town to Wear it Pink on Friday, October 26th.

The branch is hoping that shops, hairdressers, offices, schools and more will join in Breast Cancer Campaign's biggest event of the year - this year celebrating its 10th anniversary.

Local groups, staff members and students taking part should pay to wear pink and take part in other

fundraising activities and games for the charity. This year's Wear it Pink day is superhero theme and Cancer Research UK is providing "Superhero Sweepstake" games and other themed ideas.

Fundraising packs, including posters, stickers and games, are available from Lyme Regis Cancer Research UK Branch chairman, Philip Evans, by calling 01297 446155 or call into the View From offices in St Michael's Business Centre.

More details can be found online at [www.wear-itpink.co.uk](http://www.wear-itpink.co.uk)

If you're planning to Wear it Pink on October 26th and would like your efforts to feature in the View From Lyme Regis, contact Francesca Evans on 01297 446154 or email [francesca@pemedial.co.uk](mailto:francesca@pemedial.co.uk) to arrange for a photo to be taken

## School PFA asks for more help

THE Parents and Friends Association of St Michael's Primary School in Lyme Regis has appealed for more help and new ideas after having to cancel a fundraising event last week.

A Millionaire's Night, due to take place on Friday evening, had to be cancelled due to poor ticket sales.

The Parents and Friends Association is made up of members of the school community who organise regular events to help fund school trips, swimming lessons and money for school items such as books, including £500 donated last year towards new books for the school library, and play equipment.

Money raised heavily subsidises school trips and swimming lessons, with last year's total of £5,000

working out as £36 for each child, spread out across the year to help pay for trips.

The association has raised a total of £20,000 since being set up.

Last week's school newsletter asked for anyone with ideas or time to spare to come forward.

It read: "If this money was not available, the costs of future trips and events would dramatically increase."

"If you have any ideas or would like to help out and join the PFA, please speak to Lisa in the school office, Sue Wiscombe or Tanya Rattenbury."

"All PFA events that are organised will benefit your children in the future, but only if they are well supported."

# £250,000 campaign launched to improve slipping coast path

AS concern builds over how the South West Coast Path is going to be maintained after months of extreme weather conditions, one organisation is rallying the troops.

The South West Coast Path Association (SWCPA) is busy organising a special event to celebrate its 40th anniversary next spring, with the aim of funding improvement projects along the path's route through Dorset, including Lyme Regis, Devon, Somerset and Cornwall.

The South West Coast Path is estimated to generate over £300 million for the regional economy each year, with walking one of the most popular activities undertaken by visitors. Yet in recent years funding for its maintenance has shrunk by 28 per cent.

There is now much concern over costs for on-going maintenance, improvements and upgrades to the path to make it more accessible, attractive to a range of users and with a surface pleasant to walk on all year round following severe weather conditions over the past few months, which has led to several landslips along the route.

To raise funds for small but significant improvement projects, over and above general maintenance, the SWCPA are launching an appeal named "The Great South West Walk – putting 40 years of love back into the Coast Path!"

The group is drafting in the help of a large number of countryside organisations including the South West Coast Path Team, the National Trust, county councils and Areas of Outstanding Natural Beauty teams, along with local walking groups and numerous tourism businesses.

An event will be held next April and May aiming to encourage at least 30 walkers each day across a series of sponsored walks, which have been broken down into 56 legs and will be done

in relay to cover the entire 630-mile path.

Meeting with a birthday party at Land's End on May 7th 2013, the south coast series of walks starts at Poole on April 3rd, with the north coast series starting at Minehead on April 16th. Each leg will be guided by local experts, rangers and path wardens, who are all assisting the SWCPA with this event.

Walkers will be asked to raise £50 of sponsorship each, so that further funding can be levered from relevant organisations via matched giving.

Brian Panton, chairman of the South West Coast Path Association, said: "We are offering walkers the opportunity to specify which project their sponsorship supports, providing there is enough funding for that project to take place (otherwise it will be used for the project most in need). More information about each leg of the walk and the corresponding improvement project is on our website".

"We want to encourage as many people as possible to take part for a half day or full day walk, through to a number of legs over several days, building a walking holiday. Whether people are walking long or short distances, coming from near or far, we hope that thousands of people will take part to support this spectacular coast line."

Through individual sponsorship, grants, corporate sponsorship and matched giving, the target is to raise £250,000. This will enable over 40 improvement projects spread along the route of the entire path to be completed during 2013. These projects have all been selected to enhance the experience and enjoyment of walkers using the path.

For more information, or to sign up to take part, please visit [www.GreatSouthWestWalk.co.uk](http://www.GreatSouthWestWalk.co.uk) or follow the event on Twitter @LoveSWCoastPath

# Local dressmaker and seamstress celebrates 100th birthday with family

A WELL-KNOWN local dressmaker and seamstress celebrated her 100th birthday having lunch with four generations of her family last weekend.

Ethel Causley was born on October 7th 1912 in Uplyme and worked in Axminster learning her trade as a dressmaker.

At the age of 21 she married her first love, Arthur, who worked on the railways, in Uplyme Church. Arthur's work led to them living throughout Devon during the 1930s and 40s, finally settling back in Lyme Regis when he became the station master.

A widow for more than 40 years, Spick as she was known to friends, continued using her skills as a fine seamstress well into her 80s, helping friends and family with everything from a new hem line to a wedding dress.

She lived independently in Staples Terrace in Lyme Regis until eight years ago, when she moved to Sidney Gale House in Bridport.

View From's Stuart Broom said: "She was a great friend of my mother who lived close by in Lyme, and they were always meeting for a chat and cup of tea."

"She has a wicked, dry wit, as well as excellent seamstress skills which she demonstrated to me on a few occasions."

Ethel, who received her 100th birthday greeting from the Queen, was on great form during lunch with her family at Hunter's Lodge, run by her grandson Neville Causley, on Saturday, which was followed by a small celebration at Sidney Gale on Sunday.

■ **HAPPY BIRTHDAY:** Ethel Causley celebrates her 100th birthday with son David, daughter-in-law Jennifer, grandchildren Wayne, Neville and Alison, and great grandchildren Jake, Harvey, Ryan and Adam at Hunter's Lodge

## Town councillor selected to run for Conservative's county seat

LYME Regis town and district councillor Daryl Turner has been selected to contest the Marshwood Vale seat on Dorset County Council at next May's elections.

After 11 years of service, the current county councillor for the Lyme Regis area, Colonel Geoffery Brierley, is standing down when his current term comes to an end.

West Dorset Conservatives, following a three-stage selection process held at the Woodroffe School, Lyme Regis, on Friday of last week, selected Councillor Turner as the Tory candidate for the Marshwood Vale Division.

Councillor Turner has served on the town and district for several years and now looks forward to the county elections on May 2nd 2013. He feels that the next few years will be extremely challenging at all levels of local government, requiring strong leadership.

Councillor Turner said: "I promise to work hard during the next six months leading up to the election to understand the issues within the Marshwood Vale, ensuring a smooth transition. I believe it's important to look at the area as a whole and not treat it as Lyme Regis and the Marshwood Vale.

"I need to understand and have detailed knowledge of individual communities issues and would be happy to take part in discussions and events in the Vale area during this period. I would welcome invitations to local events and look forward to meeting you. I will personally visit all areas of the division."

West Dorset Liberal Democrats have also named former district councillor and Lyme businessman Pat Hicks as their candidate.

■ **FOOT NOTE:** The Marshwood Vale Division is made up of the following parish council areas: Char Valley (Whitchurch Canonorum, Wooton Fitzpaine, Stanton St Gabriel, Fishpond Bottom and Morcombelake), Charmouth, Chideock and Seatown, Lyme Regis, Upper Marshwood Vale (Marshwood, Bettiscombe and Pilsdon), Symondsburry (Symondsburry, Broadoak, Eype, North Chideock, Watton and West Cliff West Bay), Thorncombe (Thorncombe, Holditch, Hewood and Synderford).

## Pub brawl ends in serious injury

A 39-year-old Lyme Regis woman was rushed to the Dorset County Hospital in Dorchester in the early hours of Sunday morning after sustaining serious head and leg injuries in a fracas outside a local pub.

Police were called to Mill Lane, next to the Ship Inn, at 1.43am to deal with the incident.

A 43-year-old Lyme Regis man was arrested on suspicion of assault and bailed on Sunday evening.

Mill Lane was cordoned off by police for much of Sunday because of the severity of the injuries.

Wednesday, October 3rd. It is believed that the offender made off towards Charmouth Road.

The handbag contained a large bunch of keys and a lilac LG mobile phone.

## Winter parking permits return

RESIDENTS of Lyme Regis will again benefit from free parking permits this winter.

Councillors have agreed to offer free winter permits to full-time residents of Lyme Regis from November 1st 2012 to March 28th 2013 for the two town council-owned car parks - Woodmead Halls and Cabanya on the seafront.

Permits will be issued as usual at the town council offices on production of a valid full-time council tax bill for Lyme Regis and the vehicle registration document displaying the same address.

During discussions of winter parking permits at last month's Strategy and Policy Committee meeting, Councillor Anita Williams, who lives in Uplyme, asked: "Can we extend it to people with DT7 post-

codes in East Devon? Allowing people to park there in the winter for free might make them come back the rest of the year."

Councillor Michaela Ellis replied: "We need to go back to where this came from originally and that was to give something back to the townspeople. I'd hate to see it pushed further afield."

Councillor Lucy Campbell added: "It was to benefit rate payers. I do see the argument for extending it but they come in and pay to park here at the moment."

The decision to offer winter parking permits to full-time Lyme Regis residents only is expected to be finalised at tonight's (Wednesday) full council meeting.

# Slow Ride to Turin cycle will remember Uplyme's Philippa

UPLYME girl Philippa Corbin will be remembered when a group of 28 cyclists set off for Turin in Italy next weekend.

Philippa, who worked at the River Cottage Can-

teen in Axminster, tragically took her own life, aged 27, last January having suffered from depression. Those paying tribute to her during the 800-mile cycle will in-

clude her sister, Maddy Corbin, and the Rector of Uplyme, the Reverend Gavin Tyte.

The cyclists will leave River Cottage Canteen on Saturday, October

13th heading to the Salone del Gusto slow food festival in Turin. The ride has been organised in Philippa's memory and will raise awareness of depression and funds for The Humans Five Foundation and The Charlie Waller Memorial Trust.

The Reverend Tyte, who led Philippa's funeral in Uplyme Church, said it had been a "massive learning curve" getting used to the bike that will take him to Italy. He has been preparing for three months.

"I cycled to school about 25 years ago," he said.

"The physical bit has been quite a shock to the system and it has been a massive learning curve to get used to the bike as well."

The group's longest leg will be 80 miles, and the Reverend Tyte added: "But I have done 80 miles, so I know I can do it."

■ REMEMBERED: Philippa Corbin from Uplyme

He will be joined in the ride by Lyme Regis resident Lis Hurden, who has been training for the challenge for about a year, as a keen mountain biker and gig rower. She hopes the cycle will help to rid the stigma attached to depression, which she said was "rife".

"There is an awful lot of publicity about obesity, for example, and it is almost accepted - but the acceptance of depression is not there," she added.

"It is not a self-indulgent illness.

"If, by doing the ride, we prevent at least one family from going through what the Corbins did, we won't give a damn about sore bottoms and legs from the ride."

Both Lis and Gavin said it was a great way of "honouring a lovely girl".

The cycling team vary in age from 24 to 73 and include a doctor, a vet, gardeners, a cameraman and a couple of geoscientists.

They will be joined by a support crew of four, including Philippa's parents, Pam and Hugh Corbin.

Once the team sets off on October 13th, regular progress reports will be posted on their website [www.slowridetoturin.co.uk](http://www.slowridetoturin.co.uk), their Twitter and Facebook pages.

Further details, including profiles on all the cyclists, and sponsorship information are also available on the website.

## Lyme news briefs...

### Lifeboat Week raised 'staggering' £35,000

FUNDS raised during this summer's Lyme Regis Lifeboat Week came to an impressive £35,000.

This year's Lifeboat Week, held in July, was deemed to be one of the most successful ever and included several crowd-pulling events, including the Red Bull Harbour Reach and Matadors display, the RAF Falcons Parachute Display Team and the Red Arrows. The new lifeboat "Spirit of Loch Fyne" was also officially named and handed over to the RNLI during a packed service on the Cobb.

Chairman of Lyme Regis and Charmouth RNLI Guild, Rob Michael, described the total raised as "staggering".

He added: "If the outstanding programme advertisers and event organisers pay up then it will go even higher. This is the result of, firstly, the amazing week of sunshine we managed to squeeze out of an otherwise disappointing summer, and of course the hard work of the crew, the members of the guild and other volunteers."

### Crew answers 40th emergency shout

LYME Regis lifeboat crew responded to their 40th emergency call-out of the year - a catamaran in trouble in the early hours of Wednesday, October 3rd.

Coastguards alerted the crew at 12.12am and the lifeboat was launched at 12.25am to assist the 40 feet catamaran, five and a half miles south east of Lyme Regis.

The catamaran, named "DAJO", was heading for Portland when the man and woman on board called coastguards for help.

The lifeboat crew escorted the catamaran to the safety of West Bay harbour.

■ ITALIAN JOB: Lyme Regis resident Lis Hurden and Rector of Uplyme, the Reverend Gavin Tyte can't wait for the ride to start

## Working mum from Broadmayne, reviews The Ocean Spa's Arabian Autumn Delight

HAVING heard so much about the therapy treatments at The Ocean Spa, especially the Autumn offer - the Arabian Autumn Delight treatment - we thought it would be a good idea to see exactly what it involves.

So we asked a local working mum to try it out and report back on how it went.

"Revive and relax your body and mind with our amazing Arabian Autumn Delight" says The Ocean Spa. As soon as I walk in the atmosphere is tranquil and relaxed. Before I know it I'm equipped with a robe, towel and full details on everything I need to know on enjoying a full day at The Ocean Spa.

My day includes a luxurious 90 minute face and body treatment, a one course light lunch in the Cliff Restaurant and full use of the spa and gym facilities.

I thought I would be good and start with a workout in the gym. The fitness staff were very helpful and gave me lots of good advice.

I couldn't resist a swim but made sure I left time for my lunch which was delicious, then for my treatment. The therapist was just brilliant - I felt totally pampered and nothing prepared for me the invigorating treatments which alerted all my senses and included a Dead Sea Salt Body Scrub, Hydrating Facial, Invigorating Hand & Arm Massage and Tension Relieving Head Massage.

The products used were just gorgeous and my therapist was clearly very experienced. I was in good hands. I have to say I left The Ocean Spa feeling like I had just had a holiday! It was excellent value and will be recommending it to my friends.

The Arabian Autumn Delight is available for a limited period only, £70 (includes day membership and lunch). For full details please visit [www.theoceanspa.co.uk](http://www.theoceanspa.co.uk) or call 01305 824117.

EVENTS marking the Diamond Jubilee in Lyme Regis came to a final close on Friday, as a souvenir book and DVD was launched.

Those attending the Jubilee Finale night at the Woodmead Halls were able to re-live the five-days of celebrations held in June to mark Queen Elizabeth II's 60 years on the throne.

South West for the special occasion, including the biggest civic parade the town had ever seen, a BIG Sunday Lunch with almost 200 diners and maritime celebrations in which over 70 vessels took to the water.

The town was also visited by Chelsea Pensioners Alex Murray and Stan Constable, who sadly died last month.

Tribute was paid to Mr Constable at the Jubilee Finale, where guests enjoyed snippets of the DVD of events, created by Lyme Regis TV and included in every copy of the souvenir photographic book, "Jubilee Lyme", which went on sale on Friday night. The book and DVD are available for £4.95 from the View From offices in St Michael's Business Centre.

ness Centre.

The book features photos of almost all the jubilee events in June and the DVD covers many of the major events, including the opening of the Jubilee Pavilion, civic parade, Honoured Citizen presentations and the BIG Sunday Lunch.

All funds raised from the souvenir will go towards paying for the jubilee

events, which cost a total of £5,000 to stage.

The Mayor of Lyme Regis, Councillor Sally Holman, was among those attending the Jubilee Finale, accompanied by Mayoress Jane Whittington.

Councillor Holman was presented with a copy of the Loyal Address she read at the beginning of the jubilee celebrations and a letter from the

Queen thanking the town for taking part in the occasion. It is hoped both will be framed and displayed in the Guildhall permanently.

Flowers were presented to calligraphy artist Janice Hopkinson, sister of Lyme Regis TV editor Gordon "Nomad" Smith, who wrote out the Loyal Address.

## Let's make it a special Christmas day

TALKS are taking place to attract thousands to Lyme Regis for a special Christmas attraction.

Councillor George Symond, who is sponsoring **The Great Lyme Regis Christmas Pudding Race** through his business, the Lyme Regis Amusement Arcade, is in discussion with the Lyme Traders Organisation to make Saturday, December 15th a full day of events.

The Christmas Pudding Race, being staged for the first time in Lyme in aid of Cancer Research UK, will be held on the Marine Parade between 11am and

1pm. Councillor Symonds is hoping that additional events can be held on the Marine Parade during the afternoon and funds secured for an early fireworks display around 5pm, to be followed by late-night shopping in the town centre.

Councillor Symonds said: "The Christmas Pudding Race could attract hundreds of people to the town so it makes sense that we try to extend the day's activities to keep people in Lyme for late-night shopping."

## Pud race rivalry is gaining pace

COMPETITION for the Lyme Regis Great Christmas Pudding Race on December 15th has heated up as accusations of "fixing" flew this week between two of the keenest teams.

The intense rivalry between the team of the town's artists, The New Bohemians, and the side of local cheese and fishmongers fielded by Lyme's Usual Suspects Association blew up after the artists spectacularly upped the ante for the fun day.

The Mongers, whose team includes The Old Watch House fishmonger Simon Bennett and Town Mill cheesemonger Justin

Tunstall, began the tussle by forming its own cheerleaders squad and hiring its own team band to add support.

This week "The Bohos" responded by adding an animal to their supporters, incensing the Mongers.

"The Boho's captain, Hugh Dunford Wood, has informed us that they will be bringing a horse, which we have reason to suspect may be ridden by local Mummers star Danny Anholt in his full St George chainmail," said Geoff Baker, spokesman of The Monger team.

"It's a fix and it's unfair to a team of old blokes dressed as six foot cod and feta.

"We know that Lyme's artists like to show off, either that or they get dressed in the dark, but this 'Costumegate' is a bit much! I wouldn't say in a family newspaper that it's a fast one, but it's a clever one.

"We also have reason to suspect that the Bohos are now hunting for a celebrity supporter too. Although we've already asked Kylie."

Mr Dunford Wood is staying tight-lipped on the sponsored competition, which is being staged as an event to entertain Christmas shoppers in aid of Cancer Research UK.

"At this age I am refusing to reveal details of either our team members

or our team strip," said Mr Dunford Wood.

Mr Baker said the Mongers would respond in style.

"Our musical and movie director, Gordon Smith, is now preparing to make a video of our cheerleaders, the Mongerettes, singing The Mongers Song. This sensational sight will be posted on YouTube shortly as we take our campaign global."

Mr Baker said the team was also now negotiating to have "a boat sailed offshore by a topless mermaid" to also support their side when the Lyme pudding race is staged on Marine Parade on the Saturday morning from 10.30am to 1pm.

## New season and new name for art group

### CLUBS NEWS Lyme Regis Art Society

A NEW season and a new name! The Lyme Regis Art Group has now become the Lyme Regis Art Society - bringing it in line with other local art societies.

The society began its new season of meetings with a fascinating demonstration by well-known local artist, Michael Stride, who stepped in at short notice after the advertised artist, Penny Wilton, had an accident and was unable to appear.

Michael (pictured right) used the two hours to produce two still life sketches, showing the versatility of acrylic paint, using it both in the style of an impressionistic oil painting and then as a watercolour working with a fairly small sable brush on heavy Bockingford paper.

The first piece of work, that of a champagne bottle and glass, began on bright orange board with a limited palette of colours- ultramarine to give a warm blue, a greeny-blue, three shades of red, burnt umber, yellow and white. Michael began by putting in the white highlights before building up darker shades, always emphasising the need to keep the tonal values consistent to create the translucent effect of light through glass. He used a deep blue for the very dark tones, working it against the orange for maximum impact and showed how successful composition is as much about placement of colour as it is of shape.

After the break, Michael used the same paints with lots of water to produce a more delicate picture of a white lily in a vase. After carefully drawing in the details, he washed in a background around the main shapes before filling in the leaves and petals, using consistent

colour tones to unify the painting.

The stamens and leaf veins were emphasised to give the plant structure and again, Michael captured the translucency of the petals and of the flower vase itself. Once again a limited palette was used to create images of pure light and subtle colour.

The society's next meeting is on Tuesday, October 16th at the Woodmead Halls from 2pm to 4pm, when David Webb will demonstrate using watercolours to create images of animals.

Visitors and new members are always welcome. For further details contact secretary Sheila Stratton on 01297 445464.

# Furore over more office costs

**F**EELINGS are running very high in our county town over the construction of new offices for West Dorset District Council at a cost of £9.7 million.

The plan to build new offices as part of a £16 million development of Charles Street, Dorchester, including a new county library, has been met with strong opposition from the non-Tory members and local council taxpayers.

At this end of the

county, I rarely hear anything at all about the project and the perceived extravagance of moving offices during one of the most austere periods in recent times.

The new office building is now well on the way to complete but the matter has been catapulted back into the public eye by the news that the district council has only received offers of around £1 million for the old Stratton House offices, when they expected £2.5 million, and

## Lyme Matters

by Philip Evans

that a further £2 million of council taxpayers' money has to be spent on revising the Charles Street plans. Campaigners claim there is widespread opposition to the project and accuse the

district council of not consulting with the public, a view seemingly backed by an independent auditor who criticised the council for not engaging with the public. Others claim that there

is support for the scheme in Dorchester, pointing out that the town is on the verge of a "once-in-a-lifetime town centre renaissance".

Meanwhile, the opponents have set up an online petition calling on the council to "think again" and consult more with the public.

The Conservative controlled council have always maintained that moving into new offices will eventually bring about significant savings because of the excessive costs incurred at the old Stratton House offices, now considered to be highly unsuitable for council staff.

Independent members on the district council have long argued that it is impossible for conflicting views to get an air-

ing, mainly because the Executive (the Cabinet), which effectively runs the council, consists of all Conservative councillors and therefore the decision-making body only hears one side of the story.

I have some sympathy with non-ruling party members being able to get across their own views - but that's what happens when you win an election with such a large majority.

The Conservatives hold 32 of the 48 seats which, of course, means they can do pretty much as they like - until the next election of course.

Lyme has two district councillors, both Tories - Daryl Turner and George Symonds, neither of whom sit on the executive but who are both well briefed on the council offices issue.

I am sure both will be happy to talk to you if you have your own reservations about the project which is causing such a furore in Dorchester.

## A grand old boy we shall never forget

STAN Constable spent just four days in Lyme Regis - but left a bigger impression than the Duke of Monmouth and Jedward put together.

Stan was one of the two Chelsea Pensioners who stayed in Lyme for the Queen's Diamond Jubilee celebrations in June.

At the grand old age 91, and accompanied by a mere youngster of 82, Alex Murray, Stan and his fellow Pensioner charmed all who came into contact with them.

They both threw themselves into the Jubilee celebrations with gusto, insisting on attending all the events and taking part in all the processions.

Chelsea Pensioners are feted wherever they go - but Stan and Alex were both adamant that they had never been treated with greater kindness. They both vowed to return.

Sadly, Stan died two weeks ago and tomorrow (Thursday) Francesca and I will accompany Mayor Sally Holman to London where we will attend his funeral at the Royal Chelsea Hospital chapel.

It had been our intention to visit Stan and Alex next week to present them with copies of the "Jubilee Lyme" book and DVD and a copy of our Summer in Lyme 2012 publication.

Stan and Alex and featured prominently in both publications and we have sent copies to his daughter Susan Staelens. She rang this week to say thank-you and to let us know that Stan had never stopped talking about the kindness he and Alex were shown on their visit to our town.

## (NEARLY) EVENT OF THE WEEK...

**I** HAD hoped that the Jubilee Finale evening at the Woodmead Halls on Saturday evening would have been the Event of the Week. But as only around 20 people turned up, I can't really justify it being described as such (hence the adjusted headline!)

The idea was to round off the town's celebrations to mark the Queen's Diamond Jubilee anniversary by showing the DVD of that memorable weekend in June made by Lyme Regis TV and launch the "Jubilee Lyme" book which Francesca has put together as a souvenir of the occasion with

all proceeds going to offsetting the cost of staging the jubilee events.

It was a shame more people did not avail themselves of this opportunity but for many I suppose the jubilee celebrations are a distant memory. And as other organisations in the town are finding, it's very difficult to sell tickets for any social event these days.

St Michael's Primary School were forced to cancel their usually popular Millionaires' Night due to lack of support and even for such worthy causes as Cancer Research UK it gets progressively more difficult to attract sufficient support to

make a decent profit.

There was a time I could fill a hall at the drop of a hat; these days I would struggle to fill the telephone kiosk at the bottom of town.

But we must not give up.

We ended up selling around 40 books, so we made a few quid. We will continue to sell the books for £4.95 (including the DVD) over the next few months and if anyone out there would like one all you have to do is call into the *View From* offices in St Michael's Business centre or give us a ring on **01297 446155**. We will even deliver.

## Medical centre debate continues: for...

■ CONGRATULATION to NHS Dorset. You have come up with what I consider to be the perfect solution to end all the wrangling and upsets that have taken place in Lyme Regis, over the medical centre, during the last 20 plus years.

All surgeries and medical centres are run as businesses nowadays, and to have ours run by one of the most successful business empires, Virgin, is, I believe, a big step in the right direction.

for...

Our doctors can concentrate on what they have been trained for and what they are best at, caring for patients, without being distracted by financial and political situations.

With Virgin Care we have a new broom, and hopefully it will sweep very clean. What can be wrong with that?

**Hazel Read,**  
Clappentail Park, Lyme Regis

## ... and against

■ WITH regards to Virgin Care taking over Lyme Regis Medical Centre:

I'm lead to understand that this is not a "done deal", as of yet. There is, I believe, a month's grace period before the paperwork is signed and Virgin definitely take over the centre. I'm also lead to believe that, if sufficient people voice their displeasure, we can get the decision overturned.

We currently have four excellent doctors working at the centre. It would be a big loss to Lyme Regis if any

or all of them were to go.

If you want to retain your doctor, make your voice heard. Write, phone or email your MP, Oliver Letwin, the Health Authority at Bournemouth (and in doing so, also ask what happened to the public consultation) and the PCT, at Dorchester.

Maybe we could organise a protest, outside the medical centre too?

## Lyme shop Onni raises £400 for Amnesty with sell-out fashion show

LYME Regis shop Onni showcased its winter collection with a fashion show at the Town Mill Malthouse last week.

The fashion show was held in aid of the Lyme Regis branch of Amnesty International with chunky knits and other items, created by Finnish designer Marja Putus, worn by models of all ages.

Marja Putus is one of Onni's favourite private labels and the designer was in the audience for the show.

Standout items included a bright blue Marimekko-print dress, an Italian lush red velvet jacket and a black taffeta below-the-knee evening coat embellished with colourful oversized buttons. The outfits were accessorised with bespoke,

bold necklaces and bracelets designed by Kate Higham.

Onni owner Eija Perkins acted as compere and

the clothes were modeled by Susan Langston, Jane Ford, Priscilla Trenchard and Morwenna Trenchard.

About 65 people attended the sell-out event, and more than £400 was raised for the charity.

## Operatic Society look ahead to 93rd year

LYME Regis Operatic Society go into their 93rd year in a sound financial position, treasurer John Routley reported at their recent annual meeting.

Formed in 1920, with their first show "The Mikado" being presented in 1921, the society will be forming "Calamity Jane" for the very first time next year (May 14th-18th).

The society has already staged auditions for the musical based on the life of frontiers woman Martha Jane

Canary, made famous by the 1953 musical film starring Doris Day, and the first rehearsal will be held on November 20th.

At the annual meeting President David Coates was re-elected as were the other three main officers – chairman Johanna Hopkins, secretary Jean Wellings and treasurer John Routley.

Committee members elected were: Liz Broom, Jane Broom, John Challis, Bob Kendrick and Elaine Kendrick.

## Sports Therapy

Sports Therapy is an aspect of healthcare that is specifically concerned with the prevention of injury and the rehabilitation of the patient back to optimum levels of functional, occupational and sports specific fitness, regardless of age and ability.

It utilises the principles of sport and exercise sciences incorporating physiological and pathological processes to prepare the client for training, competition and work.

Although some physiotherapists focus on sports-related cases, sports therapy and rehabilitation is a separate profession, requiring a 3 year intense study at university. It is concerned with musculo-skeletal conditions arising from physical activity, not with general healthcare.

To sum up the work of a sports therapist:

Diagnose  
Treat  
Rehabilitate  
Prevent injuries

## Laser Therapy (LLLT)

Low level laser therapy (LLLT) is the application of red and near infra-red light over injuries or lesions to improve wound and soft tissue healing, reduce inflammation and give relief for both acute and chronic pain. It is used to: increase the speed, quality and tensile strength of tissue repair; resolve inflammation and relieve pain.

The effects of LLLT are photochemical (like photosynthesis in plants). When the correct intensity and treatment times are used, red and near infrared light reduces oxidative stress and increases ATP. This improves cell metabolism and reduces inflammation.

LLLT is popularly used for acute and chronic pains including; soft tissue injuries, fractures, joint conditions such as osteo and rheumatoid arthritis, neuropathic pain, non-healing leg pressure and diabetic ulcers, post operation recovery and general body pains.

As well as tissue repair and pain relief, LLLT is used in sport as a performance enhancing aid. Increasing ATP and reducing oxidative stress gives the athlete an increase in endurance, allowing them to train longer with little or no effect from DOMs and an increased time on muscle repair.

LLLT users include British and US military, premier division football teams, Olympic teams, Formula 1, national rugby and cricket teams and specialist pain clinics.

## Sherborne Turf

FROM our location in the picturesque village of Trent, Sherborne Turf has been supplying the gardeners of Dorset, Somerset, Hampshire and Wiltshire with quality lawn turf and garden products for over 35 years. Our turf is grown in high quality farmland which forms part of The Trent Estate, using a unique blend of grasses that will knit together to form a firm base, negating the need for potentially harmful netting that could pose a trip hazard and be costly to remove.

Supplying the local area with fresh turf cut to order, low 'turf miles' mean our grass is green in more ways than one!

At Sherborne Turf, our product range has expanded to meet the needs of our customers. Garden soils are stored under cover in winter ready for de-

livery in bulk bags, along with a variety of top dressing, bark, mulch and compost for the serious gardener.

Deliveries are made using our own fleet of vehicles and drivers experienced in the handling of turf and associated products. While the trade standard for deliveries is 'kerb-side', our drivers understand this is not always practical for your gardens, and so we will always endeavour to place your items as conveniently as possible for you, subject to suitable access.

All of the staff at Sherborne Turf have experience of the items we sell, so for assistance on any aspect of your garden project, please give us a call on 01935 850388. Office hours are 8am to 6pm Monday to Friday, and Saturday mornings during busy periods.

**Quality Reliable Local Competitive**

**W**HEN the cold north wind starts stripping the trees of their leaves and the nights start getting longer, we know that winter is quickly approaching. Winter driving conditions can become dangerous quickly. It is important that both you and your car are ready for anything. Before the snow hits and the roads become icy, be sure your car is running at its best and that you are prepared for an emergency.

1. Give your car an oil change with oil that is appropriate for your vehicle and the upcoming weather conditions.
2. Freezing rain and snowstorms can impair visions. Make sure your windshield wipers are in good shape and ready to stand up to whatever winter throws at them. Replace them if needed. Be sure you windshield wiper fluid is filled and ready to go. Do not use just water, as it can freeze.
3. Check to ensure both your defroster and heater are working properly.
4. Check your battery and

confirm it is corrosion free. Also, confirm your power steering and brakes fluids are topped off.

5. Check all your car's belts and hoses to ensure they are in good shape.

6. Ensure your tires are properly inflated and if you live somewhere that gets severe winter weather, you might want to get snow tires put on. Snow tires give far better traction than regular or all season tires.

7. Be sure your anti-freeze is the right mixture. For cold climates, it should be half water and half anti-freeze. Some anti-freeze comes premixed, read the label carefully.

8. Keep your gas tank as full as possible during the cold weather to help prevent freezing of the gas lines.

9. Salt and ice can be hard on the exterior of your car. Before winter sets in, give it a good waxing to help protect its paint.

10. Check all your lights to make sure none are burnt out and all are working properly. Replace any that are dim or expired.

11. Be sure your spare tire is

full and ready to be used if needed.

12. Have a fully stocked Emergency kit in your car at all times. You emergency kits should include:

- a blanket or two
- extra gloves, socks and hat
- an extra set of clothes
- an ice scraper
- hard candies
- a couple of bottles of water
- a few granola/energy bars
- flashlight
- flares
- jumper cables
- a small tool kit
- tire chains
- a jack
- first aid kit
- a bag of cat litter or sand (To put under tyres to add traction if needed)
- a candle and a can to put it in
- matches
- a small shovel

When driving during severe winter weather, reduce your speed and leave more distance between yourself and the vehicle in front of you.

IT CAN be tough to keep everything in your home running smoothly during the colder months. Here are some useful hints and tips to help you get your home ready for winter.

Don't be left in the dark this winter. Prepare your home for some of the most common winter emergencies with these handy tips.

**Get a boiler service:** Arrange for your boiler to be serviced every year. As everyone starts to switch on their central heating, the surge in gas consumption can lead to a big increase in boiler breakdowns.

**Find your stopcock:** Make sure you know where your water stopcock is located. If you suffer a burst pipe you'll be happy you found it in advance!

**Create a power-cut kit:** Be prepared for the inevitable winter power cuts by putting together a power-cut kit.

Follow our tips to keep your home draught-proof and energy-efficient this winter.

**Block draughts:** Check your home for any gaps where chilly breezes could sneak in. The most likely places are around doors and windows, loft hatches and pipes which lead outside.

**Insulate everything:** To help avoid messy bursts and leaks, get your pipes and water tanks insulated. And if your home's lacking in padding, now's the time to sort this out.

**Bleed your radiators:** A great way to warm up your home is to bleed your radiators. This releases any trapped air, allowing hot water to fill every part of your radiator and warm your home more efficiently.

# Stefano brings a touch of Italy to Lyme

LYME'S growing reputation as one of the in-places for foodies has been enhanced by the arrival of Italian chef and food writer Stefano Arturi.

With business partner Paul Milican, Stefano has taken over what used to be the much-acclaimed Tea and Dining Room at the Town Mill, one of Lyme's most popular tourist haunts.

Specialising in Italian home cooking, they have renamed the premises the

## Philip Evans takes supper at the Mill Café & Supper Club

Mill Café and Supper Club and after experiencing on of the most distressing summers from a weather point of view (their café was even flooded at one time), Stefano has started to attract regular clientele and a reputation for his delicious, rustic dishes, evidenced by a quick flip through Trip Advisor comments – "a fabulous hidey-hole of an Italian experience", "an outstanding supper", "a foodies' delight".

It's not really a supper club (there's no membership fee) but an ideal, intimate and cosy supper venue with a courtyard available for pre-dinner drinks when the weather allows.

Stefano hails from Milan and spent 14 years in London before returning to his homeland for five years. He loves living by the sea and on returning to England he spent some time looking for this perfect restaurant before settling in Lyme and the Mill Café.

Food is clearly a passion for Stefano who has written two books in Italian, one on Eng-

lish puddings, entitled "Ricette e curiosità dal raffinato universo dei dolci Inglesi, which translates as "Recipes and tips from the refined world of English desserts". The English translation of his second book is "Lunch break. How to stay away from bars and live a happy life."

Stefano bakes all his own bread and cakes with the Mill Café opening for elevenses, lunches, afternoon teas and, of course, supper.

The supper club is open on Thursdays, Fridays and Saturdays with a set menu costing £19.50.

When we went for supper last week the cosy, candlelit café offered a welcome contrast to the damp October evening and Paul greeted us with a friendly smile before serving a basket of Stefano's home-made bread and pre-dinner drink.

A more than adequate and reasonably priced wine list, including English wines, is available with the Italian Moretti beer also on offer.

I'm always a bit suspicious of risotto (often they are sloshy or gloopy) but our first course of Risotto al limone was cooked to perfection with a distinct but delicate lemon flavour.

The main course of Spezzatino D'Ag-

nello con Prosciutto e Perperoni rossi (lamb stew with ham and red peppers) arrived in an earthenware casserole dish – very Italian and very rustic, but delicious nonetheless, the tender lamb melting in your mouth.

A vegetarian dish was also on offer – courgettes stewed in olive oil, garlic, tomatoes, capers, chillipepper, with soft boiled egg and breadcrumbs, spinach with raisons, pine nuts and optional anchovies. I must admit, I was tempted.

Supper concluded with Semifreddo Malaga (vanilla semifreddo with raisons and rum), a first for me but very tasty.

Despite the weather, the other tables were mainly full during the evening with some of the diners taking opportunity to thumb through the many recipe books that line the walls.

Stefano came out for a chat after the meal and spoke of his quest for good quality organic ingredients from local suppliers, not always an easy task by all accounts, and their intention to come up with some Christmas dishes which will ring the changes from the usual turkey platter.

## ENCHANTED FLOODLIT GARDENS AT ABBOTSBURY

LIGHTS fantastic will be ablaze as Abbotsbury Subtropical Gardens welcomes visitors to its annual Enchanted Floodlit event.

The annual illuminations begin on October 16th and the lights will be switched off on November 4th. Visitors can stroll along candlelit pathways enjoying the splendour of the Subtropical Gardens from dusk until 8.30pm.

The walk around the gardens takes 40 minutes with a shorter route, which is also suitable for wheelchairs. It is advisable to wear sensible footwear and bring a torch. The gardens are sheltered and have their own microclimate meaning it's often dry even when rain falls elsewhere in Dorset.

General Manager John Houston said: 'Romance and serenity reign supreme during our Enchanted Floodlit evenings. Abbotsbury Subtropical Gardens are at their most splendid when the leaves on the ancient trees are a riot of autumn colours, bathed in the wonderful night-lights.'

'I personally think the best way to appreciate the gardens at this time of year is to wander round during the daylight hours, retire to the Colonial Restaurant for soup or supper, then venture out again to be entranced by the calming, charming spectacle of Abbotsbury by night.'

The Colonial Restaurant will be open every evening providing snacks, hot food and refreshments. There will be a special menu laid on for event, ranging from beef stew to sausage casserole cooked with local Ilchester Estate venison sausage. For the first time, as of November 17, the restaurant is also serving traditional Christmas lunches, at a cost of £20 per person (this includes entrance to the Subtropical Gardens, normally £10.50).

For further information and to buy tickets please ring the Abbotsbury Tourism office on (01305) 871130 or visit [www.abbotsgardens.co.uk](http://www.abbotsgardens.co.uk) Or just turn up the night of your choice.

## Platinum-seller Sandi Thom to play Marine Theatre

THE multi platinum record selling Scottish troubadour has long since proved the sheer power of her song writing, with her album and single chart-topping adventures.

Now, six years after her debut album *Smile...It Confuses People* and the massive hit single 'I Wish I Was A Punk Rocker' both raced to the top of the UK charts on the way to combined sales to date of about 2 million albums worldwide and following her last release, the critically acclaimed, award winning blues album *Merchants & Thieves*, Sandi Thom is back with a new album - *Flesh & Blood*.

Released in August, *Flesh & Blood* was recorded at Nashville's legendary 16 Tons studio, with celebrated Black Crowes guitarist Rich Robinson in the production hot seat, the fourth Sandi Thom album is, she says, "the first album I've done that is really all about me."

Featuring a core studio band led by producer Rich Robinson on guitar and including fellow former Black Crowes and widely travelled session star Audley Freed (guitar), respected Nashville stars Mike Webb (keys/Dobro) and James Haggerty (bass), and Black Crowes drummer Steve Gorman, there are also guest appearances from acclaimed singer-songwriter Buffy Sainte Marie and famous Rolling Stones collaborator, saxophonist Bobby Keys. Legendary producer Kevin Shirley (Led Zeppelin, John Hiatt, Journey) who mixed two of the key tracks says "Her writing is fantastic

and her singing is great on a great song." Then there is the intriguingly titled 'I Love You Like A Lunatic', based on her "life-changing" love affair with superstar blues guitarist Joe Bonamassa.

Like David Bowie and Elton John, who also enjoyed early one-off hits before finding their true niche as musical artists, Sandi feels that *Flesh and Blood* is her coming of age album. "The people that only know me from '...Punk Rocker' won't recognize me on this album."

◆ Sandi Thom plays at The Marine Theatre, Lyme Regis on Saturday, October 27th. Tickets cost £15, £13 concessions and are available by calling 01297 442138 or online at [www.marinetheatre.com](http://www.marinetheatre.com). A TheatreFriends discount is available, and there is a special concession price of £22 for a double ticket for Sandi Thom and The Fab Beatles who are at the Marine on October 26th.

## Top young jazz singer Emma Smith comes to 115 Club

BRIDPORT'S 115 Club will host a special performance from 606 Jazz Club - Chelsea on Thursday, October 11th.

The 115 Club will throw open its doors for another eclectic evening of Jazz and Blues with the smoky young vocals of Emma Smith.

Emma is without question one of the leading Jazz vocalists of her generation: she sings with a poise and facility that many singers twice her age would kill for. A third generation Jazz musician, her grandfather Chris Smith senior played trombone with Tubby Hayes, Oscar Peterson and Frank Sinatra, her father, trumpeter Chris Smith Jr, writes and arranges for the likes of the BBC Big Band, and her mother,

Simone, is an excellent sax player.

So not too surprising then that she did her first gig when she was 14, started performing with National Youth Jazz Orchestra when she was 15 and received a scholarship to the Purcell School of Music when she was 16, the first ever jazz singing student to do so. She is now a regular performer in many of London's top jazz venues, singing her impressive original songs (as featured on her brilliant debut CD, *The Huntress*) with some classic Jazz standards too. A truly exceptional young talent, Emma is already well on her way to a permanent place in the jazz firmament.

This is a fantastic opportunity to hear a top quality performance in Bridport, and should not be missed! Pre-booking for Buffet Dinner between 7:00 and 7:30pm is essential and

guests should telephone on the day (between 2:00 and 6:00pm) to confirm numbers in their party. At which time they will be informed of the cover charge - anticipated at between £5 and £10 per guest. Unfortunately late-comers cannot be accommodated as dining must be completed before the music starts at about 9:00pm.

Check out <http://www.emma-smithmusic.com> for more info! Or the 115 Club's own site at [www.115club.com](http://www.115club.com) or [www.facebook.com/115club](http://www.facebook.com/115club)

## Kent Duchaine and Leadbessie return to the Beach and Barnicott

AS A young man Kent Duchaine immersed himself into the blues music of Johnson, Muddy Waters, Lightening Hopkins, T-Bone Walker and Bukka White and never looked back.

Kent learned to play the slide guitar and soon developed his own ferocious wild style. In 1979 Kent met up with his beloved and ever faithful Leadbessie. She's a beat up 1934 National Steel Guitar that wows and astounds audiences when the equally beat up case she travels in is opened and her extra heavy strings are furiously played. Kent discovered and looked up a legendary blues man with the name of Johnny Shines in 1989. They traveled together for three years and performed over 200 shows together. In that time they were honored with the coveted W.C. Handy Award for best country blues. Kent and Johnny's wonderful partnership and friendship was cut short when Johnny Shines sadly passed away in April 1992. Since going solo in 1982 and hitting the roads, riding the rails, flying the skies and sailing the seas, Kent and Leadbessie have probably by now clocked up over two million miles together. A (small) handful of wives have been picked up and lost along the way and many stories gained of friendships, loves, heartaches and the blues that he communicates to his audiences, most of which, leave folk laughing or scratching their heads in disbelief.

Kent Duchaine brings Leadbessie and his Delta blues to the Beach & Barnicott, Bridport on Friday, October 19th. Admission is free.

## Mary Coughlan comes to the Arts Centre

MARY Coughlan is Irish musical royalty. Her first album in 1985 showcased her powerful and bluesy jazz stylings - becoming an unexpected bestseller. Yet her personal life has been shadowed by controversy, abuse and addiction.

A lot was written and a lot was said, but the songs remain the same. The vocal marriage of wit, rage, passion and the tenderest of sorrowful regrets is Mary's talent. Her smoky, bluesy, boozy drawl has always been a seduction, no matter what the subject.

Throughout her extraordinary recording career Mary has drawn heavily from her legendary heroes; Billie Holiday's grievous, teary outpourings, the husky flirtations of Peggy Lee, Van Morrison's soulful wails, the defiant chanteuse of Edith Piaf. All are present and correct in her delivery. Even so, Mary, with her naked honesty makes

every song her own; they belong to her and nobody else.

The stage is where Mary survives. From a small square footage of venue real estate in front of a handful or a thousand or ten thou-

sand people.

POP LIFE | Lenny Henry's new tour comes to Bridport later this month

THE Mowat Farnon Quintet will be performing a glorious collection of sultry laid back jazz, highlighting Alison Farnon's rich, warm vocals and David Mowat's crystal clear trumpet, playing their self-penned songs about love and life at Bridport Arts Centre Jazz Café on Friday, October 12th.

The Mowat Farnon Quintet is a musical delight. The team, who first met up at the East Bristol Jazz Club, has just released its debut album, 'Do Me Doucement!' David Mowat has over twenty years of diverse jazz and world music behind him, appearing first with Gail Thompson's 'Gail Force' in 1987, playing

with Keith Tippett in Bristol, Brian Abrahams (in Mowat's band Timshell Quintet), Bollywood Brass Band and many others. He's played Glastonbury, Vortex, 606, WOMAD and numerous other venues in the UK and in Europe. He's currently musical director for Saint Stephens, the parish church for the city of Bristol.

Alison Farnon left her roots in classical training to explore the 20th Century music of the USA and Latin America. In London she tap danced her way through the 90's dance music scene and has now settled in Bristol. She writes and performs, drawing on her experiences of living, working and studying in Europe and the Americas and grappling with mental health issues and addiction.

Singer Alison Farnon and trumpeter David Mowat form a unique songwriting partnership, writing lyrics from their personal life experience and setting them to catchy jazz melodies. They will be offering a workshop in the afternoon for budding songwriters and indeed anyone who would like to know more about the art and craft of their work together.

The Mowat Farnon Quartet will perform at Bridport Arts Centre on Friday, October 12th at 8pm. Tickets cost £8 and are available from the box office on 01308 424204.

# This week's big screen releases

### HOTEL TRANSYLVANIA <sup>PG</sup>

WELCOME to the Hotel Transylvania, Dracula's lavish five-stake resort, where monsters and their families can live it up, free to be the monsters they are without humans to bother them. On one special weekend, Dracula has invited some of the world's most famous monsters - Frankenstein and his wife, the Mummy, the Invisible Man, a family of werewolves, and more - to celebrate his daughter Mavis' 118th birthday. For Drac, catering to all of these legendary monsters is no problem - but his world could come crashing down when a human stumbles on the hotel for the first time and takes a shine to Mavis.

Voices from Adam Sandler, Andy Samberg, Selena Gomez, Steve Buscemi and CeeLo Green.

### RUBY SPARKS <sup>15</sup>

CALVIN (Paul Dano) is a genius novelist who begins to type a new novel on his manual typewriter about Ruby (Zoe Kazan), his dream girl. He can't believe his eyes, because the next day, Ruby becomes a real person, and they begin to have a beautiful relationship together. If the relationship isn't perfect, all Calvin has to do is simply type the words on the page and Ruby's actions change to what he needs.

Also stars Chris Messina, Antonio Banderas, Steve Coogan and Alia Shawkat.

### ON THE ROAD <sup>15</sup>

YOUNG writer Sal Paradise (Sam Riley) has his life shaken by the arrival of free-spirited Dean Moriarty (Garrett Hedlund) and his girl, Marylou (Kristen Stewart). As they travel across the country, they encounter a mix of people who each impact their journey indelibly.

Based on the book by Jack Kerouac, also stars Steve Buscemi, Kirsten Dunst, Viggo Mortensen and Amy Adams.

### HIT AND RUN <sup>15</sup>

A YOUNG couple (Kristen Bell and Dax Shepard) risk it all when they leave their small town life and embark on a road trip that may lead them towards the opportunity of a lifetime. Their fast-paced road trip grows awkwardly complicated and hilarious when they are chased by a friend from the past (Bradley Cooper), a federal marshal (Tom Arnold) and a band of misfits.

## Fresh new look for Fortnam Smith & Banwell

**PROPERTY  
TO LET**

**FORTNAM** Smith & Banwell, the long established estate agency with offices in Seaton, Charmouth and Lyme Regis as well as a lettings office, FSB Rentals Ltd in Seaton, has launched a fresh new look.

All of the office fascias as well as marketing material, For Sale boards, property particulars and the company web site have been updated with the agency's re-designed and highly distinguished branding, which includes an overhaul of its synonymous fossil emblem in white and stately gold on a royal blue background.

The new design also includes the logo of The Property Sharing Experts to symbolise Fortnam Smith & Banwell's membership to the network. Previously West-country Team, the network contains around 60 independent estate agency offices in Cornwall, Devon, Dorset and Somerset, which as the name suggests, work together as a 'Super' agency, sharing properties with each other to provide unrivalled office and online marketing exposure, reaching more buyers and selling

more homes for clients – all 60 agents working together for a sole agency fee.

As part of its overhaul and its membership to the network, Fortnam Smith & Banwell has installed a brand new, tried and tested, highly advanced IT system, which links all branches and greatly enhances the services it provides to buyers and sellers.

All properties for sale with Fortnam Smith & Banwell are listed on all 60 individual web sites as well as the new [www.propertysharingexperts.com](http://www.propertysharingexperts.com) website and other top portals, receiving more online coverage than those with any other estate agent in the South West. Properties are listed in a clear format with full descriptions, the agents local dial telephone number and various options including pdf download, viewing requests, Energy Performance Certificate view and Google Maps. When viewed in Street View, the actual property is shown rather than a random spot in the postcode area.

Buyers are instantly informed of new properties and price changes as they happen and also receive weekly updates. They can log onto the system at any time to change their search criteria and receive SMS reminders for property-viewing appointments.

With live data feeds and the widest marketing coverage, homes have a better chance of selling more quickly and sellers also benefit from the convenience of a personal log-in to the system, allowing them to check on the progress of their marketing or sale online 24/7 with details on marketing activities, advertising statistics, property-viewing information and feedback.

Fortnam Smith & Banwell has been serving the local communities along with West Dorset and the East Devon Jurassic Coast over the last three decades and has built a strong reputation for valuing, selling and letting property throughout the region. As well as embracing the latest technology, all of its sales professionals maintain traditional values with in-depth knowledge and experience of the local marketplace. The agency's philosophy is to help find the right property for the right customer, assisting all to move home in as 'stress-free' an environment as possible with the highest quality service.

All three of the sales offices provide auction as a route to market for their client's properties using the traditional method as well as Auction+, which opens the opportunity of buying at auction to a wider range of buyers. And via a panel of local, well-established and trusted solicitors, Fortnam Smith & Banwell offers its clients competitive, fixed, No-Sale No-Fee conveyancing services with no hidden costs and the ability for both the agents and clients to track their cases online every step of the way.

## Isuzu D-Max launches eye-catching 'Vision' pack

IN response to customer demand, Isuzu UK has launched a new audio, navigation and communication upgrade pack for the all-new Isuzu D-Max pick-up, designed to appeal to trade and recreational users alike.

From late October, buyers of the Isuzu D-Max Yukon and Utah models will be able to specify the 'Vision' pack, which comprises of a Pioneer Satellite Navigation unit, a rear-view parking camera and enhanced audio capabilities, all for just £900 (+VAT). The launch of the Vision pack is further evidence of Isuzu's intention to become the number one pick-up brand in the UK.

The new unit also features significantly increased audio capabilities, including CD/DVD playback; MP3 compatibility; micro SD; USB, iPod and Parrot Bluetooth hands-free connectivity; and Bluetooth media streaming. Full functionality of steering-wheel controls is maintained.

The rear-view parking camera aids driver visibility when reversing. The camera is mounted to the rear bumper, and integrates with the new head unit to automatically display the camera image on the screen when reverse gear is selected.

The touch-screen Pioneer unit comes complete with custom-built surround and replaces the factory-fit unit, fully integrating into the dashboard of the pick-up.

William Brown, General Manager at Isuzu UK commented: "The addition of the 'Vision' pack adds even greater refinement and luxury to the already highly-specified Yukon and Utah models, without compromising

the brand's legendary reputation as a manufacturer of tough, off-road pick-ups."

The new Isuzu D-Max range includes single, extended (with rear-hinged side access panels) and double cab body configurations. Double cab models are available in four specifications: Isuzu D-Max, Eiger, Yukon and Utah. Prices start at £14,499 (CVOTR) for the entry-level Isuzu D-Max 4x2

single cab and rise to £21,999 (CVOTR) for the top-of-the-range Isuzu D-Max Utah 4x4 double cab automatic.

The Isuzu D-Max is fitted with a completely re-engineered, 2.5-litre twin-turbo diesel engine and is available with a six-speed manual or five-speed automatic transmission. The D-Max is covered by a five-year / 120,000-mile warranty.

## All-new Volvo V40 R-design and cross country pricing announced

VOLVO Car UK has today announced the pricing of the all-new Volvo V40 R-Design and Volvo V40 Cross Country. Starting from £22,295 and £22,595 respectively, Volvo is now able to offer both a more sports inspired and a more rugged looking take on the V40.

The V40 R-Design has taken cues from its R-Design stablemates in the rest of the range, with a re-profiled front bumper and rear diffuser, five-spoke 17" Ixion wheels, silver matt door mirrors, unique R-Design embossed nubuck upholstery, sports floor mats, sports steering wheel and pedals. In addition to this, as standard, the V40 R-Design benefits from a TFT crystal display screen with unique blue colouring, illuminated gear-knob, unique R-Design aluminium trim and vertical LED day-running lights.

Those wanting the ultimate in sports luxury can upgrade to the R-Design Lux, complementing the standard specification with active bending xenon headlights with cleaning system, rain sensor, leather-faced R-Design embossed seats, cruise control, keyless start and rear theatre lighting.

The V40 R-Design is available in the striking launch colour, Rebel Blue, unique to R-Design, along with six other colours.

Prices start from £22,295 for the D2 R-Design, still benefiting from class leading CO2

emissions of 94g/km, up to the T5 Geartronic R-Design Lux Nav, available from £31,390.

The V40 Cross Country is Volvo's answer to those customers that want a small 5-door hatchback but with a more 'off-road' and rugged look. As standard, the Cross Country SE is offered with autofolding door mirrors with ground lights and black mirror covers, 16" alloy wheels, rain sensor, textile/T-tec upholstery, tread plates and silver roof rails.

The Cross Country can be further en-

hanced by specifying the Cross Country Lux version. This includes the ample specification of the SE, plus leather-faced upholstery, active bending xenon headlights, 17" alloy wheels, LED day-running lights, rear reading and theatre lighting.

The V40 Cross Country is available from £22,595 for the D2 Cross Country SE, up to the T5 Geartronic Cross Country Lux Nav with All-Wheel Drive, from £33,875.

Both models are available to order now and first customer deliveries will start to take place in January 2013.

## Frugal Ford Fiesta wins 2012 MPG marathon with 108.78mpg

THE Ford Fiesta ECONetic 1.6 TDCi has won the 2012 ALD Automotive/Shell FuelSave MPG Marathon, clocking up 108.78mpg over a 370-mile route involving tough, real-world driving in challenging weather conditions.

The annual event is a test of fuel consumption for showroom vehicles, which also demonstrates the financial benefits of simple, smarter driving techniques. This year's route through the hills of South Wales and the Cotswolds was made more challenging by a bridge collapse and a traffic light failure along the way.

Ford's winning team, Andrew Marriott and Andy Dawson are both former rally drivers and beat their nearest rival by over six miles per gallon.

The super-frugal Ford Fiesta ECONetic, which boasts an official combined fuel consumption of 85.6mpg and emissions of 87g per kmCO2, proved that smarter driving can dramatically reduce the cost of running a family car. This year's run demonstrated a 27 per cent improvement over its official combined fuel consumption figure.

Ford's ECONetic technology significantly assists the efficiency of Fiesta and FiestaVan models, by combining Start/Stop technology, combustion

and calibration improvements, smart regenerative charging and revised gear ratios among other enhancements.

The Ford Focus Titanium 1.0 EcoBoost also took part, with drivers Paul and Doug Clifton, from BBC South, producing 61.93mpg – a near 10 per cent advance on its official combined cycle figure of 56.5mpg.

A Ford Transit Custom T270, crewed by Owen Wood and Richard Powell, of Ford's Dunton Technical Centre, came third in the LCV category thanks to a performance of 56.04mpg – 37 per cent up on its combined figure of 40.9mpg.

Event organiser Ross Durkin commented: "This year's MPG Marathon will be remembered for the two teams who beat the elusive 100mpg barrier – both superb performances."

"The average improvement over combined cycle figures achieved by the 27 vehicles in this year's event was a whisker under 16 per cent – impressive by anyone's standards."

"Manufacturers have done a tremendous job in improving the fuel efficiency of all new cars and vans, but motorists should see their published fuel consumption figures as a target to beat, not the maximum achievable."

## All-new Ford Fransit Custom delivers improved resale values

RESIDUAL values confirmed for the all-new Ford Transit Custom have provided a further boost for the launch of the recently crowned International Van of the Year 2013.

Leading residual value (RV) analysts CAP evaluated the Ford Transit Custom, which is available from dealerships this autumn, and calculated its theoretical resale value in three years' time.

The award-winning Ford Transit Custom, which is the UK market leader's new entrant in the one-tonne van segment, has secured a 10.5 per cent improvement in its three-year/60,000-mile residual value compared with its predecessor.

The new Ford Transit Custom has been valued at £725 more than its rival by CAP. This £1,975 turnaround achieved by the incoming model equates to a 10.5 per cent boost in Transit RVs.

At four years in service and 80,000 miles, Transit Custom RVs are enhanced by £1,500 – moving the new model from being £1,000 behind its benchmark

competitor to £500 ahead.

Mark Ovenden, Ford of Britain managing director, said: "This is a more stylish and more functional Transit, which also manages to reward owners by retaining more of its value. Thanks to this latest endorsement by CAP, we're even more

convinced that our new Transit Custom will continue the vehicle's market leading position."

A new Ford Transit Custom 290S 100PS six-speed 310Nm model will be worth £6,800 at three years and £5,250 at four years – £725 and £500 ahead of its nearest competition, respectively.

### MATCH REPORTS

**Division One**  
**Crewkerne Town Reserves 4 Lyme Regis Reserves 3**  
LYME REGIS Reserves ended up empty handed after leading 3-1 with just ten minutes remaining of this first clash at Henhayes. The Seaside's, with strikes from Lee Cleal, skipper Danny Thirlwell and an own goal, were probably flattered by holding a two goal advantage and were made to pay as the Tigers roared back.

### Division Three

**Hinton St George 3 Lyme Bantams 3**

GOALS from Pete Peacock, Ben Strong and Fred Thomson failed to earn Lyme Bantams a win at struggling Hinton despite the visitors leading 3-1 at one stage.

# Colfox show their prowess once again

ONCE again The Sir John Colfox School (TSJCS) cross country team demonstrated their strength in depth by winning two of the four Dorset Preliminary Rounds of the English National Schools Cross Country Championships held at Leweston School, Sherborne, with a further team also qualifying for the second round.

The Inter Boys were always an unknown quantity, but it was an amazing shock to all that they won the round overall.

J-P Avery was the first runner home in third place, closely followed by Jak Ford (5th). They were well backed up by Rhys Hayter (10th), Will Pearce (15th) and Will Bowen Ashwin (21st).

Their total of 33 points just held off Bishop Wordworth's Grammar School from Salisbury by two points, with St Laurence School, Bradford-on-Avon (45pts) third.

The other winners were the Junior Boys where Dane James (3rd) and Jed Holt (4th) led the way.

They were well-supported by Tom Crabtree (8th), James Cox (21st), Sam Handyside (25th) and Thaisen Chant (29th) to give TSJCS victory with 36 points from Bournemouth Collegiate School (43pts) and Clayesmore Prep School, Blandford, (46pts) third.

The Inter Girls were always going to find it tough as they are all Year 9s and are competing against year 10s this year. However they qualified in an excellent third place with Rosie Jones finishing a superb fourth.

Abylly backed up by Yzzy Tiffin (13th), Beth Hedges (21st), Oshan Vowles (30th), Gaby McNamee (68th) they qualified with 68 points behind Parkstone Grammar School (20pts) and St Mary's School, Calne (54pts)

Coach Andy David said: "Considering they are all Year 9s competing against older girls, I was incredibly happy with their performance."

A very nervous junior girls team failed to qualify for Round Two finishing a disappointing eighth behind winners Parkstone Grammar School, with Sydney March (23rd) the first home.

Mr David said: "Their time will come, and for four of the six team members this was their first ever proper cross-country race, so they

did incredibly well. I know they will improve as they gain experience."

The next round is at Millfield on November 10th.

**KEEP ON RUNNING |** The Colfox cross country teams who once again excelled at Leweston

# Bob Buckler: The season ahead

THE NATIONAL Hunt season gets into full flow this month following a summer where the weather restricted Bob Buckler's horses to just 19 runs with three winners and four other placings, with horses having to run in less than their ideal conditions.

With all the others having returned from their holidays all 25 are back in training.

Bob Buckler gave *View Sport's Stuart Broom* a run-down on their form. These are his thoughts on the season ahead.

## ASHBOURNE FOLLY (IRE)

2005 Bay Gelding Milan - Time To Ask  
*Mrs H R Dunn & Mr & Mrs C Collier*  
Ashbourne Folly sustained a leg injury in a bumper at Chepstow back in March 2011. Having been given plenty of time to recover from a potentially fatal incident, he is back in full work and is expected to have one hurdle race later this year before going over fences.

## BALLYEGAN (IRE)

2005 Bay Gelding  
Saddlers Hall - Knapping Princess  
*Ballyegan Partnership*  
Despite having won his first race and been placed in another three out of seven races last winter, Ballyegan was found to be in need of a wind operation in the spring which he had in the summer. Now back in full training he is waiting for the softer ground on which he thrives to return to 3 mile chasing.

## BARON SUTTON (GB) 2007

Grey Gelding Baryshnikov - Quick Million  
*Mr R D Cox*  
A full brother to Silver Sutton, he had one bumper last November in which he got a bad knock on his leg. This good jumper has come back a lot stronger and will probably have one more bumper race before going hurdling.

## BOXATRIX 2008

Chestnut Gelding  
Arkadian Hero - Mardereil  
*Mr P Phillips*  
Had three bumpers so far for experience, but still a bit backward and needs to mature. Has lots of ability and shown signs of promise but will be given a break to mature more and assimilate what he has learned. Will have another bumper in the spring.

## CULLAHILL (IRE) 2002

Bay/Brown Gelding  
Good Thyme - Rossacrowe  
*Mr N Elliott*  
Loves fast ground and has been in great form, but unfortunately this summer never had the right conditions with so much wet weather. Will continue to race this autumn whilst he gets the quick ground he wants.

## DIFFERENT TRADES (IRE) 2004

Bay Gelding Oscar - Gale Tan  
*Mr R.H. Buckler*  
Unfortunately shook a leg in his last point-to-point race in March 2011 and was turned away. Recovering well and as one who likes good / good to soft ground will be back in action next spring.

## DIGGERS MATE (IRE) 2008

Bay Gelding General Gamble - Miss Diskin  
*Mr M Forrester / Mr R H Buckler*  
This four year old is the last foal out of Miss Diskin and is half brother to the stable's Mizzurka and Double Dizzy, and is simply the biggest horse I have ever trained. Being such a big horse we won't rush him as he is still filling out his body. He has had two bumpers for experience and progressing nicely but still growing!

## DORA CANINA 2008

Bay Filly Doyen - Rosa Canina  
*Mr R H Buckler (for sale)*  
A lovely looking and well bred mare who I hope we will have a lot of fun with. Had one bumper race with Pat Sly in April before joining us where she was backed down as favourite in heavy ground but got stuck in the mud so obviously has ability. We gave her the summer out and are back working with her now. She will have a bumper soon before hurdling. She is for sale.

## DOUBLE DIZZY (GB) 2001

Bay Gelding Double Trigger - Miss Diskin  
*Mr M Forrester*  
What a star over the time! A half brother to Mizzurka out of the great old mare Miss

Diskin. He won the Sussex National last year, and would have gone very close if not won the cross-country race at Cheltenham if he had not been taken out through no fault of his own.

He's 11-years-old now but has still got a race in him. However because he's getting wiser we are going to do of lot of things to keep him sweet like hunting and maybe a day on Exmoor with the stag hounds - we will see - and go for the cross-country races, most likely first time out, or go to Auteuil in France. Unfortunately both races come within a week of each other so we probably won't be able to do both, but that depends on the owner.

We'll see then if he is still in love with racing and decide then to either carry on or turn him out with a novice rider point-to-pointing.

## DOUBLE OR QUITZ (GB) 2005

Bay Gelding  
Relief Pitcher - Straight Courage  
*Mr R H Buckler (for lease)*  
Unfortunately he damaged a tendon two years ago. We've given him loads of time off and he's now back in training. He has lots of ability but you would obviously have to be worried that his leg problem will reoccur, and if we do think that then we will stop him from racing and find another home for him to do a different job.

He should be up to it now however, and if so then he should be a very exciting horse.

He is for lease, and would be a great opportunity for perhaps a group of people to have some fun with, without costing too much.

## GLENWOOD PRESENT (IRE) 2007

Chestnut Gelding Presenting - Chancy Lass  
*Mr N Elliott*  
We thought this horse had a hell of a lot of potential but was very disappointing in a lot of his races but they were run on soft ground and his wind wasn't brilliant. Then in February when the weather was poor they ran some bumper races for horses on the all weather track at Kempton and he ran a brilliant third to Teltami who was favourite for the Triumph Hurdle and if it had been further would have caught him. We then ran him in his fifth bumper, the Champion Bumper at Cheltenham but he had to be pulled up because of his breathing problem. He's now had a wind operation and seems fine at the moment, and will be ready to run in the next couple of weeks. He jumps brilliantly and hopefully now will show the promise we believe he has. We also think he needs a right hand course.

## JAMONICA 2008

Bay Mare Wace  
*Mr P Phillips*  
Latest arrival to the yard just recently. Still very backward but has shown he has got quite a lot of ability underneath it. We will bring him on and he will have a run in a bumper in about a month's time.

## LA MODONNINA 2008

Bay Filly Milan - Supreme Nova  
*Mrs C J Dunn*  
Three bumpers to date. Should have gone very close at Kempton in her last race but she didn't stretch the field early on and was eventually swallowed up by the sprinters, but not by very far. She's strengthened up a bit and there are more mare's races coming up this season so she should be able to win one very soon. There's not much to her, but she's got a heart of gold.

## MALIN HEAD (IRE) 2005

Bay Gelding Presenting - Dedham Gale  
*Strictly Come Racing*  
Is in great form. Won his first race over fences after some good handicap hurdling. He should have strengthened up and be in fine form and will be out soon in two-and-a-half to three mile chases off a nice handicap mark and we should have a lot of fun with him.

## MISTER MATT (IRE) 2003

Bay Gelding Alfiora - Swing Quartet  
*Strictly Come Racing*  
The star of the summer! Won three races last year including a very valuable one at Newton Abbot. Has given us lots of fun but the handicapper has put him up over a

stone which is always going to make it more difficult but he might go to the first Cheltenham fixture in mid November but that depends on the ground.

## MIZZURKA (IRE) 2004

Bay Mare Alfiora - Miss Diskin  
*Golden Cap Syndicate*  
Mizzurka's in retirement having had a leg problem and is currently in foal having been covered by Black Sam Bellamy who is full brother to champion sire Galileo. With Alfiora as a granddam and their pedigrees, any offspring should have a head start on the rest of the field.

## NEVERSAYNEVER 2008

Bay Gelding Tamure - Quick Exit  
*Mr Richard Hall*  
Ran a very good third first time out at Wincanton, and then was too strong and ran too freely in the mud at Hereford before finishing fifth. He's had the summer off and should have strengthened up again and should be quite promising. He will have a couple of bumpers and then go hurdling.

## QUIX (GB) 2006

Bay/Grey Gelding Fair Mix - Teeno Nell  
*Golden Cap Syndicate*  
A character. Looks to be one of the classiest horses at home and on the gallops but has hardly shown it racetrack. He seems to start each season well but then deteriorates but he has had grumbling problems last year and was often stiff and sore but we couldn't find out why, but having the summer off he appears to have strengthened up again and seems completely well, and hopefully without these worries he will show us his real form. He is one of the most promising horses to watch at home but hasn't put it together on the track yet.

## SAINT PERAY (FR) 2006

Bay Gelding Fragrant Mix - Gintonique  
*Strictly Come Racing*  
Shook a leg up last season and is going to have the season off. Time is a great healer and with a year off he should be as good as new next year.

## SOUTHFIELD VIC 2009

Chestnut Gelding  
Old Vic - Chamoss Royale (FR)  
*Mrs A Yeoman*  
Lovely young horse. He came to me just recently having been backed and broken before hand, and had his first canter last week and looks a great horse with a great temperament and way about him. We will bring him on slowly with bumpers and hurdles on the way to making a lovely chaser in the future.

## SULPIUS (GER) 2005

Bay Gelding Tertullian - Suva  
*Mrs Jennifer Gregson*  
Was a bit frustrated with him in the summer after two thirds, but back in action now and had a race over fences recently. Likes good ground. He's taken his time to come to himself but he's a better and stronger horse now, and having been dropped in handicap will start to go back up through them again.

## THE HAPPY WARRIOR (GB) 2008

Bay Gelding Luso - Martomick  
*Mr N Elliot*  
A lovely horse and half brother to Warlord, one of the best horses I have ever trained, who was tragically lost at Wincanton. Beautiful looking and moving horse with a superb temperament. I love him to death but he is a very big horse and he is going to take time so he will need another season with a few runs, maybe another bumper and some hurdles, as he grows up. But he should make up to be one of the most exciting chasers I've ever had, all going well, but he won't be rushed.

## THE SAWYER (BEL) 2000

Chestnut Gelding Fleetwood - Green Land  
*Mr D Fear*  
What a star! Age is catching up with him but the handicapper has finally relented and dropped him in the weights a bit to 118 because he is such a popular horse, which is great and allows him to get into races on smaller tracks rather than competing at the bigger meetings. He likes soft ground so there's no point waiting for the hunter races in the spring so we are going to carry on handicap chasing him and doing different things like hunting. He still loves racing, but the day he stops liking it we will go hunting with him. He will still do veteran races and races at smaller tracks but the has a chance of winning rather than the possibility of picking up good money in the bigger races.

## UNNAMES BY GOLAN (GB) 2008

Bay Gelding Golan - Presenting Gale  
*Mr P Hart*  
An Irish import which has been backed and starting work, an athletic mover with a great disposition. Another one for the future. He will not be rushed and will be allowed to develop in his own time.

## UNNAMED BY TAMURE (GB) 2008

Bay Gelding Tamure - Quick Exit  
*Mrs F Bishop*  
A nice looking three-year-old who was broken in the spring and was turned away in the summer. Just come back in and will be running bumpers around the end of November.

Straight from the horse's mouth: Asked which horses to look out for this season Buckler said: "Hopefully Glenwood Present will show what he is made of this season now that his wind problem has been cured. Malin Head is another that has matured over the summer and being well handicapped should go on and win races as long as we don't have too wet a time and The Happy Warrior should develop into a really classy racehorse.

"However, it may be one of those periods over the next year or so where we have nice young horses that we are going to take time, with and with the good old chasers coming to the end of their careers, we might get a fairly quietish period. But it's all good and building for the future. If you rush them you can ruin them and we are not prepared to do that."

## LADIES HOCKEY

### Beaminster off the mark

#### SALISBURY 4TH 2 BEAMINSTER 3

BOTH these sides are in a period of transition with a few experienced players the backbone of a team containing young and new players to the game.

With both teams having lost their opening fixture, it was Beaminster that got off the mark with a hard fought victory.

Both created a few chances in the first quarter of the match with Claire Hughes, mother of defender Harriet and playing her first game for the club, showing her potential with a couple of good saves in goal.

Beaminster took the lead when two of their established players combined midway through the first half. Izzy Davies, who returned from London especially to play, cut down the right before dribbling along the byeline and crossing for Julia May to convert with conviction.

Salisbury hit back when Beaminster fell foul of the new 'own goal' law whereby a goal can be given if the ball hits an opponent on its way to goal; a Salisbury shot hitting a Beaminster foot on its way.

Davies was unlucky not to have restored the visitors' lead almost immediately, but her shot - having been put through by Harriet Hughes - looped off the keeper and struck the top of the far post. However not to be denied, last season's top goalscorer struck soon after with typical alpbomb.

Salisbury once again tried hit back and created some chances of their own before the break but the Beaminster defence held out.

Beaminster began the second half on the offensive and forced a number of unfruitful short corners, and thought they were denied a goal when Davies' shot appeared to go over the line after hitting the inside of the post. May then threaded a ball through the home defence for Davies to score but the goal was disallowed for obstruction.

Finally Beaminster got the goal their pressure deserved when May and Davies combined again; May taking Davies' pass with her back to goal and turning before rounding the keeper and driving home.

Once again Salisbury responded and attacked with a renewed sense of urgency. Their impetus finally paid off as they pulled a goal back with ten minutes to go when the ball was scrambled home after a series of shots had been blocked, but Beaminster held on for a well deserved victory.

Claire Hughes was named player of the match in which Harriet also excelled supporting all over the field.

Many of the younger inexperienced players also shone. Lucy Paull had a good game in midfield, whilst Genna Campbell and Georgie Simmonds also showed potential. With Gabby MacNamee also finding her feet in the second half, the future looks bright although there is a steep learning curve ahead.

● WEST Dorset Men's Hockey Club lost 4-2 to Isca in their first Davis Wood West of England South East One game of the season.

Despite only having ten men they led 2-1 until well into the second half with goals from captain Rick Dormer and John Kellis, but eventually they ran out of steam and Isca replied with three goals to take the game.

## BRIDPORT RESERVES

# Bulman scores perfect hat trick

#### MAGNA DORSET PREMIER LEAGUE

##### Bridport Reserves 7

##### Merley Cobham Sports 0

BRIDPORT Reserves hit Merley Cobham Sports for seven with Gary Bulman scoring a perfect hat trick - one with his left, one with his right and a header - to put the game out of the visitors reach.

The Bees have been slow to start in recent games, but they were quickly out the traps on this occasion with Bulman finishing a superb 15 pass passage of play to give them the lead.

He added a second inside quarter of an hour, collecting a pass from brother Carl to score from the edge of the box.

Merley missed a couple of opportunities

to get back in the game, with keeper Jamie Fry pulling off a couple of smart saves before Bulman completed his hat trick, heading home a free kick.

Tristan Gale and Michael Hailu added further goals from set pieces before the break, although, to their credit, Merley kept trying to play football.

With the game won, manager Robin Townsend, still determined to keep his side focussed, replaced the Bulman brothers and Sam Day before the hour, and one of the substitutes Jamie Morgan claimed a brace to complete the scoring.

Townsend said: "It was great to get a good start. After a couple of misfires, it all came together and for the first 30 minutes we were awesome.

"We were lucky having Max Buckler play for us, and his calming influence in midfield was a great asset in midfield, but it was a really good team performance. We are a good footballing side and when we get the ball down and move it quickly we can cause teams a lot of problems.

"Had they taken a couple of chances they had when it was 2-0 it may have been different - Jamie making a couple of good saves - but once we scored the third it was always going to be difficult for them.

"All we need to do now is find some consistency. I believe we are a top six side, but it's getting the players to believe that as well. They have the ability but they need to be mentally prepared."

HORSE RACING

## Disappointment for Buckler at Fontwell

THERE was disappointment for Bob Buckler's two star horses of the summer at Fontwell Park on Friday.

Both Mister Matt and Cullahill have raced in conditions less than ideal due to the appalling weather and have still produced sterling performances, but both were less than impressive in their races.

Although once again rain that had started to fall at the start of the meeting had made the ground sticky and less than perfect.

Mister Matt had stiff opposition in the principal race, the two-and-a-quarter-mile Fuller's London Pride Handicap Chase, but was expected to feature in the finish having won three and finished second twice in his seven races in the summer.

However jockey Andrew Glassonbury reported that his charge was very flat from the start and didn't travel well.

The nine-year-old made a small mistake at the sixth, but was soon tailed off and finished last of the seven finishers.

Cullahill, who finished in the frame twice in his four summer races, had four opponents in the three-and-a-quarter mile Astute Wealth Planning Ltd Conditional Jockeys' Handicap Chase.

However, with age catching up on the 10-year-old, he was very one paced and was not physically quick enough in the testing ground.

Held up in the early part of the race by Giles Hawkins, he was left as the others quickened, although he stayed on and closed on the others as they tired.

With conditions worsening, Buckler withdrew Sulpius and Baron Sutton who were due to run on the following day.

## SCRUM DOWN: RUGBY ROUND-UP

BY KEITH JENKIN

# Injuries hit Dorchester cohesion

**DORCHESTER 11pts  
DEVIZES 13pts**

DORCHESTER, although they have not had a bad start to the season, have been hit just a little by injuries and unavailabilities.

This certainly will affect any side's initial cohesion, and this was the case on Saturday last.

Devizes, always stubborn opponents, took advantage of a lethargic start to score a converted try, thus taking a seven point lead before the game was a couple of minutes old.

The home side settled and the encounter became a turgid close affair with defences on top and neither side able to gain further advantage.

There was just one further score in the first period and Dorchester got it when, with the final kick of the half, James Baker landed a penalty goal after Devizes had infringed in front of their own posts.

The second half continued in a similar vein to the first, with no quarter being asked for or given, although Devizes did increase their lead by kicking a penalty goal.

On the hour mark however, tempers flared and a lock forward from each side was sent to the bin for ten minutes and, while both sides were a man short, the home side narrowed the gap when full back Luke Weller got over in the corner.

The try remained unconverted but Dorchester were now back within a score at 8-10.

They seemed to be gaining a little momentum at this stage and certainly had a couple of scoring opportunities during the final quarter.

Their handling was less than clinical however and the chances came to naught. At the last however Baker converted a long range penalty goal to edge his side ahead at 11-10, but the visitors had time to respond and, credit to them, they did just that.

They turned over possession at a lineup on the home twenty-two and set up their out half for a drop goal that he duly converted to take the result, leaving the home side a little frustrated.

Better news for the Dorchester second side for they bested visitors Ellingham & Ringwood seconds 24-13.

**SHERBORNE 64pts  
WEYMOUTH 0pts**

POOR old Weymouth! Having notched their first Southern Counties League win just seven days previously, they had to travel to arguably the best side in the division with a side that had been decimated by injury, unavailability and a wedding.

It was one way traffic from beginning to end and, while no one could take issue with either

the effort or the application shown, they ended the day badly beaten by a very useful outfit indeed.

**POOLE 36pts  
WEYMOUTH 2nd 5pts**

THE changes forced upon its first side certainly impacted on Weymouth seconds in this interesting encounter that needed the water sweeping from one part of the Poole ground before it could begin.

The visitors, already without one of last week's scorers, Fireman Sam, suffered another blow when they lost Brendon Thomas with a suspected broken leg before the game was five minutes old.

His removal to hospital with an injury that turned out not to be as serious as first feared, caused a further reshuffle and the home side took full advantage, scoring 26 first half points.

Weymouth did get a score back before the break when Sam Bowditch broke several tackles and crashed over from the twenty-two, but it was their afternoon's only success.

Although the Weymouth lineup improved after the break, Poole retained their edge at the set scrums, and a couple of second half scores moved them well ahead by the end.

It was a better day for the Weymouth third side. They came out on top against visitors North Dorset fourths by 27-7.

With their scheduled game against WARMINSTER having already taken place, BRIDPORT were without a fixture on Saturday last.

Their second side made the long journey to New Milton however and emerged 25-8 winners.

**PUDDLETOWN 60pts  
FORDINGBRIDGE 2nd 14pts**

THE first few minutes of this Dorset & Wilts League Division Two encounter gave little indication of what was to follow.

The home side started well enough and scored a try through centre Hiscock who swerved his way through to score under the posts.

Yeatman added the extras only for the visitors to respond with a similar effort, and in fact to appear to be marginally in the ascendancy during the first quarter.

**FOOTBALL fanatics Jonah (15) and Solomon (13) Ayunga have both won places on Dorset county teams for the year ahead.**

They live in Beaminster and both play for Bridport Youth Football Club (under 14s team managed by Gus Parkman; under 16s team managed by Terry Warren).

They have grown up playing football with friends in the Memorial Playing Fields and any-

Suddenly however Puddletown's handling became more accurate and gaps began to appear.

Dan Udell was the first to profit, touching down after a well timed incursion into the line.

Skipper Yeatman converted this score also and, directly from the restart, back rowers Chidley and Watts combined to put hooker Wilson in.

It was all Puddletown now and Hiscock scored twice more during the half to complete his hat trick, sewing up the four try bonus point in the process.

The second half continued in the same vein. Winger Isaac galloped over before both Yeatman, who was to convert five of the touchdowns overall, and Dovell scored tries that took the home side out of sight.

Winger Chris Thomson then ran strongly to continue the try glut before, near the end, Fordingbridge, who had kept competing, intercepted a stray pass and ran in a consolation try that, if nothing else, rewarded their efforts.

More was to come from Puddletown however for, at the last, lock Jim Talbot crashed over from close range to notch one for the front five union, thus completing a bit of a stroll in the park for his side.

### PREVIEW

THE leagues take a rest on Saturday next, with priority being given to local cup competitions, be they for crockery or pots.

DORCHESTER have already been knocked out of the Dorset & Wilts Cup and therefore are without a game, but BRIDPORT do seem to have a pretty straightforward fixture with the visit of WARMINSTER, for they bested this opposition very comfortably at the Brewery Field a couple of weeks ago in a league game.

The visitors have not enjoyed the best start to their season and I think that Bridport will mirror their earlier success.

Cup competitions do tend to throw up strange results however, so they should take nothing for granted.

WEYMOUTH too have a home game, and it is an interesting one, for they face SUPERMARINE.

Their opponents were pro-

where else flat and green!

Solomon has played for Bridport since 2007. He attended trials over the summer holidays and was successful in gaining a place in the Dorset County Development Centre (the highest level of football in the area).

The squad has 15 members and will be playing teams from other counties.

Jonah Ayunga has also played for Bridport since 2007. He has won a place on the Dorset

moted into the Southern Counties Division together with Weymouth at last season's end and have had a dismal start to the current campaign.

So far they have not won a game and are nailed to the foot of the division.

I seem to remember also that Weymouth played this side in a much later round (the final I believe) of a more junior competition under floodlights at last season's end and came back with the bacon.

Coincidentally the sides meet in the league at Weymouth in two weeks time and the home side will be wanting to put down an early marker for that. I think that they will do so.

PUDDLETOWN probably have the toughest ask of all with the visit of CRICKLADE, for their opponents top the northern section of the Dorset & Wilts second division.

Puddletown are settling into their campaign well however and I think that this will be a close run thing.

As to the second sides, Dorchester seconds travel to take on Supermarine seconds, a side who, like themselves, have not won too many marbles in the league so far this term and they will be hard put to return from there with anything.

Bridport seconds are also on the road, for they visit their Calne counterparts.

A difficult ask this, for their opponents play in the league above, and lie in its mid table.

The Weymouth second and third sides have drawn byes in their respective competitions.

Other Bridport Youth players also selected for Dorset County

## Kamara double does the trick

### Bridport Thirds 2 Charmouth 0

BOTH these sides used this game to give players match practice but for different reasons. Bridport Thirds have only played one game to date, due to problems with other sides postponing matches and Dorchester A withdrawing their team.

Charmouth on the other hand have 34 players signed on in anticipation of building a second team next season, and with an important Dorset Junior Cup match 48 hours later, rested a number of regulars to allow others an opportunity.

Whilst Bridport, as expected, dictated the match, Charmouth produced a plucky display which saw them go in even at the break. Star of the show was the Robins' keeper, Marcus Bearpark, who made several outstanding saves throughout, denying Chris Herbst a hat trick with three point blank saves.

It was the introduction of Ali Kamara at half time that changed Bridport's fortunes. He scored twice in the first ten minutes after the break, firstly taking advantage of a collision between two defenders to slot the ball past Bearpark, and then showing clinical finishing soon after to kill the tie.

Bees assistant manager, Andy Hitchcock, said: "It has been a difficult start to the season having only played one game so far, so we are short of match practice.

"We had a fairly strong side out and as you would expect had the most of the game, but Charmouth battled hard.

"We probably had ten good chances, and should have won by more, but their keeper made a number of excellent saves and the whole team were a credit to their club."

Charmouth's boss Phil Morris was full of praise for his side: "The game was an opportunity for us to kill two birds with one stone. With so many players not getting a regular game we included six of our reserves to give them the opportunity of playing a game but also because we had an important Dorset Junior Cup match on the Saturday.

"As it was the whole team played exceptionally well as a unit despite many not having played together before with excellent performances not only from Marcus, but also his brother Kierran Bearpark who played right midfield.

"The central defence pairing of Dan Watson and Shane Dunne also played very well together, and in fact some of the reserves were so impressive they earned places in the first team on the Saturday.

"We did manage a couple of shots on goal, but what pleased me most was the good, solid team performance."

teams are Olly Woodcock (under 16) and Callum Douglas (under 15).

Mum Lisa Ayunga said: "The boys have both had a great time playing for Bridport over the years. I would like to thank Bridport Youth Football Club for all their hard work and the chance for the boys to play and compete all year round."

## Lyme hit six at the Fort

Perry Street League  
Premier Division

Lyme Regis 6 Shepton Beauchamp 1  
JULIEN Simier shook of the affect of a heavy cold to score a fine hat-trick as the reigning Perry Street League champions thrashed one of the league's up and coming teams 6-1 at the Davey Fort on Saturday.

Shepton Beauchamp, one of the PSDL's most successful clubs, have landed two consecutive promotions as the club enjoyed a period of resurgence under new manager Anthony 'Aggy' Smith.

But, after a bright start in their welcome return to the Premier division – including last week's impressive 4-2 win over South Petherton – Shepton were given a taste of life in the top division at the Davey Fort on Saturday.

The Seaside took the lead in the 12th minute when Steve Batey guided in a cross from Danny Rudge.

by Howard Larcombe  
howard@pemedi.co.uk

Rudge went close himself with a clever curving effort but ex-Lyme player Andy Moody, now plying his trade between the sticks after brief spell as a wing-back with the Seaside a decade ago, did well to keep out.

The Seaside did eventually double their lead in the 26th minute when Aaron Cleal worked hard to conjure up a cross that Simier calmly slotted home.

Shepton survived any further damage until half-time but the killer third goal wasn't far away.

Just six minutes into the second period Simier coolly guided a 20 yarder past the despairing Moody and into the corner.

Shepton went close at the other end when the prolific Sam Murley drilled an angled drive across the face of the goal.

But The Seaside's fourth goal wasn't far away as Kieren White surged down the right flank before firing in a cross that Shepton skipper Doug Whitfield could only turn into his own net under pressure from Simier.

Simier completed his hat-trick in the 71st minute when he pounced on some defensive misunderstanding before rounding Moody to make it 5-0.

The visitors pulled a goal back two minutes later when Dan Smith tapped into the empty net after Lyme's teenage 'keeper Will Meech parried a cross-shot.

Simier forced an excellent full-length save from Moody in the 77th minute.

The scoring was rounded off by the pick of the goals in the last minute when midfielder schemer Mark Bailey rounded off a fine team move which included a clever back-heel from Simier.

Afterwards midfielder Rudge took the MoM award after a hardworking performance that bodes well for the future.
